

List of Potential Supervisors for Australian Herpetological Research Projects

This list is maintained by Scott Keogh (Scott.Keogh@anu.edu.au). Please let him know if updates or changes are needed.

State	University	Name	Position	Research Area
ACT	Australian National University	Assoc. Prof. Scott Keogh	Academic	Evolutionary Biology / Phylogenetics / Conservation Genetics
ACT	Australian National University	Dr. Paul Cooper	Academic	Physiology
ACT	CSIRO Sustainable Ecosystems	Dr. Ken Aplin	Research Fellow	Evolutionary Biology / Phylogenetics / Paleontology
ACT	CSIRO Sustainable Ecosystems (affiliate of the Australian National University)	Dr. Leo Joseph	Curator/Adjunct Academic	Evolutionary Biology / Phylogenetics
ACT	University of Canberra	Assoc. Prof. Steve Sarre	Academic	Population Genetics / Conservation Genetics / Evolutionary Biology
ACT	University of Canberra	Dr. Nancy FitzSimmons	Academic	Population Genetics / Conservation Genetics / Evolutionary Biology
ACT	University of Canberra	Dr. Will Osborne	Academic	Evolutionary Ecology / Conservation Biology
ACT	University of Canberra	Prof. Arthur Georges	Academic	Evolutionary Biology / Phylogenetics
NSW	Forest Science Centre, Department of Primary Industries	Frank Lemckert	Senior Research Scientist	Evolutionary Biology / Conservation Biology
NSW	Macquarie University	Assoc. Prof. Chris Evans	Academic	Evolutionary Biology
NSW	Macquarie University	Dr Adam Stow	Academic	Evolutionary Biology
NSW	Taronga Zoo - Sydney	Dr. Peter Harlow	Zoo Curator/Adjunct Academic	Evolutionary Biology / Conservation Biology
NSW	University of Newcastle	Assoc. Prof. Michael Mahony	Academic	Conservation Biology / Phylogenetics
NSW	University of Sydney	Dr. Frank Seebacher	Academic	Physiology / Evolutionary Biology
NSW	University of Sydney	Dr. Glenn Shea	Academic	Systematics / Morphology / Phylogenetics
NSW	University of Sydney	Dr. Jonathan Webb	Academic/Research Fellow	Evolutionary Biology / Conservation Biology
NSW	University of Sydney	Prof. Mike Thompson	Academic	Physiology / Evolutionary Biology
NSW	University of Sydney	Prof. Rick Shine	Academic	Evolutionary Biology / Conservation Biology
NSW	University of Western Sydney	Dr. Shelly Burgin	Academic	Evolutionary Biology
NSW	University of Wollongong	Prof. Mats Olsson	Academic	Evolutionary Biology
NT	Charles Darwin University	Dr. Michael Guinea	Academic	Ecology
NT	Charles Darwin University	Prof. Keith Christian	Academic	Physiology / Evolutionary Biology
NT	Charles Darwin University - CRC	Dr. Rod Kennett	Academic / Research Fellow	Ecology
NT	Charles Darwin University & Wildlife Management International	Assoc. Prof. Grahame Webb	Academic	Biology of crocodiles
QLD	Central Queensland University	Assoc. Prof. John Parmenter	Academic	Ecology / Behaviour / Conservation Biology
QLD	Griffith University	Assoc. Prof. Marc Hero	Academic	Evolutionary Ecology / Conservation Biology
QLD	James Cook University	Assoc. Prof. Lin Schwarzkopf	Academic	Evolutionary Biology
QLD	James Cook University	Dr Steve Williams	Academic	Ecology
QLD	James Cook University	Dr. Ivan Lawler	Academic	Ecology
QLD	James Cook University	JCU Herp Info Web site	Web site	Web site
QLD	James Cook University	Prof. Ross Alford	Academic	Ecology / Behaviour / Conservation Biology
QLD	Queensland University of Technology	Assoc. Prof. Peter Mather	Academic	Evolutionary Biology
QLD	Queensland University of Technology	Dr Ian Williamson	Academic	Ecology
QLD	University of Queensland	Dr. Craig White	Academic	Ecophysiology
QLD	University of Queensland	Dr. David Booth	Academic	Physiology
QLD	University of Queensland	Dr. Robbie Wilson	Academic	Ecophysiology
QLD	University of Queensland	Dr. Simon Blomberg	Academic	Evolutionary Biology / Statistics
QLD	University of Queensland	Prof. Craig Franklin	Academic	Physiology
SA	Adelaide Zoo (affiliate of Flinders University and University of Adelaide)	Dr. Greg Johnstone	Zoo Curator/Adjunct Academic	Ecology
SA	Flinders University	Prof. Mike Bull	Academic	Evolutionary Biology
SA	South Australian Museum / University of Adelaide	Assoc. Prof. Mike Lee	Curator/Assoc. Prof.	Phylogenetics / Evolutionary Biology
SA	South Australian Museum / University of Adelaide	Dr. Mark Hutchinson	Curator/Adjunct Academic	Phylogenetics / Systematics / Palaeoherpetology
SA	South Australian Museum / University of Adelaide	Dr. Steve Cooper	Curator/Adjunct Academic	Phylogenetics / Evolutionary Biology
SA	South Australian Museum / University of Adelaide	Prof. Steve Donnellan	Curator/Adjunct Professor	Phylogenetics / Population Genetics / Conservation Genetics / Systematics
SA	University of Adelaide	Assoc. Prof. Chris Daniels	Academic	
SA	University of Adelaide	Prof. Roger Seymour	Academic	Physiology / Evolutionary Biology
SA	University of Adelaide (School of Medicine)	Dr. Bruce Firth	Academic	physiology
TAS	University of Tasmania	Assoc. Prof. Sue Jones	Academic	Physiology
TAS	University of Tasmania	Dr. Erik Wapstra	Academic	Evolutionary Biology
VIC	LaTrobe University	Dr. Brian Malone	Academic	Physiology / Evolutionary Biology
VIC	Melbourne Zoo	Dr. Graeme Gillespie	Zoo Research Director/Adjunct Academic	
VIC	Melbourne Zoo	Dr. Tim Jessop	Zoo Curator/Adjunct Academic	Evolutionary Biology
VIC	Monash University	Dr. Bob Wong	Academic	Evolutionary Biology
VIC	Monash University	Dr. Paul Sunnocks	Academic	Phylogenetics / Population Genetics / Conservation Genetics
VIC	Monash University	Dr. Phil Byrne	Academic	Evolutionary Biology
VIC	Monash University	Dr. Richard Reina	Academic	Physiology / Evolutionary Biology
VIC	Museum Victoria / University of Melbourne	Dr. Jane Melville	Curator/Adjunct Academic	Phylogenetics / Population Genetics / Conservation Genetics / Systematics
VIC	University of Ballarat	Dr. Simon Cook	Academic	Evolutionary Biology
VIC	University of Melbourne	Dr. Bryan Fry	Academic/Research Fellow	Venom evolution / Phylogenetics
VIC	University of Melbourne	Dr. Devi Stuart-Fox	Academic	Behavioural Ecology / Evolutionary Biology
VIC	University of Melbourne	Dr. Michael Kearney	Academic	Evolutionary Biology / Ecology

WA	Dept. Environment & Conservation, Western Australia	Dr. David Pearson	Senior Research Scientist	Conservation Biology / Ecology
WA	Edith Cowan University	Dr. Graham Thompson	Academic	Physiology
WA	University of Western Australia	Dr. Gerald Kuchling	Academic / Research Fellow	Conservation Biology / Ecology
WA	University of Western Australia	Prof. Dale Roberts	Academic	Evolutionary Biology / Conservation Biology / Phylogenetics
WA	University of Western Australia	Prof. Phil Withers	Academic	Physiology
WA	Western Australian Museum / University of Western Australia	Dr. Paul Doughty	Curator/Adjunct Academic	Phylogenetics / Systematics
WA	Western Australian Museum / University of Western Australia	Dr. Ric How	Curator/Adjunct Academic	Phylogenetics / Systematics
