

# Put the keys away and bike to ANU!

[www.anu.edu.au/anugreen](http://www.anu.edu.au/anugreen)

*To Be Continued...*

By cycling to ANU three times a week, you  
can reduce greenhouse emissions by nearly  
one tonne per year\*

\*For a 20 km commute, based on estimates  
published by the Australian Greenhouse Office  
[www.greenhouse.gov.au/gwci/transport.html](http://www.greenhouse.gov.au/gwci/transport.html)
