## ANU School of Art Textiles 5th Weavers' Summer School

Summer 2012, January 21-25 and 27-28

*Monique van Nieuwland*

The ANU Textiles Workshop is offering its fifth Weavers' Summer School. This is an opportunity for intermediate and advanced weavers to use the workshop looms for a personal project. This can be for a finished piece or to engage in weave experimentation. Applicants will need to have completed basic introduction to 4 shaft weave structures.

Participants work towards a finished piece of weaving or engage in weave experimentation.

The Weavers' Summer School offers:

- 3 counter-march 8-10 shaft treadle looms, all with double back beam
- 5 computer dobby looms (16-24 shaft), all with double back beam
- Weaving equipment ie warping mill, shuttles, bobbin winder, threaders, temples etc
- Assistance with calculations and set up of projects
- Instruction and assistance with use of computer design program and looms
- Informal show-and-tell and exchange by participants and tutor

Participants are required to contact the tutor to organise materials before the summer school starts. Previous projects have included complex weave scarves, large throws, table runner sets, decorative wall pieces, lengths of material, floor rugs.

Monique has been a weaver for more than 30 years. She teaches weave classes in the Visual Arts Access program at the ANU, Fibre Forum and Sturt Craft Centre. She exhibits her work regularly and is an Accredited Professional Member of Craft ACT.

Please contact the tutor to discuss your project:
