## **EXTENDING VIDEO PRODUCTION WORKSHOP**

*Winnie Yang*

This course is to develop overall knowledge, understanding and skills in digital video production, including camera operation, digital compression codecs, delivery formats and the essential software programs such as Final Cut Studio, Photoshop, After Effects and Quick Time Pro. The class will consist of technical demonstrations, class exercises, tutorials, discussions and feedback which will enable you to extend your skills in video production. Students will be able to work with footage they already have, or shoot new footage in own lighting studios

Recommended for Beginners or Intermediate

Students must provide their own external hard drive to back up digital files and data cost approx \$100-\$200-

Centre for Photography and Media Arts will provide access to the lab and equipment such as cameras, tripods, lights and computers .

DATES/TIMES: 6-9pm Thursdays from 9 July to 22 October 2009

FEE: \$530- plus \$70 workshop fee total \$600-

LOCATION: Macintosh Lab A - Photography & Media Arts Dept.  
Peter Karmel Bld 121 (1<sup>st</sup> floor)
