**Gift Aid**

UK taxpayers can increase the value of their gift at no further personal cost by making a Gift Aid declaration. Gift Aid is a UK government tax scheme, which enables the Foundation to claim tax relief on donations from UK taxpayers. Using Gift Aid, the Foundation is able to reclaim 25p for every £1 donated at no further cost to you. For more information about Gift Aid, please visit https://www.gov.uk/donating-to-charity/gift-aid.

Please also tick the box on the donation form prior to submission.

**Tax Benefits**

UK taxpayers are eligible to receive full UK tax advantages for their donations. Gifts to the Foundation are exempt from Inheritance Tax and Capital Gains Tax. Income Tax relief may be claimed by eligible individuals on eligible gifts. For further information on the UK tax benefits of donations, please visit www.hmrc.gov.uk/individuals/giving/index.htm or consult your financial adviser.

You will need to keep a record of your donation so that you can claim the correct tax relief. Upon receipt of your gift, a letter of thanks will be sent to the address you provide on the attached form from the ANU (UK) Foundation.

**Australians in the UK**

If you maintain taxable income in Australia, you may prefer making an Australia-based tax deductible donation directly to the ANU. ANU is endorsed as a deductible gift recipient by the Australian Taxation Office (DGR 9001 0639). Gifts of more than $2AU may be tax-deductible. These donations may attract Australian tax benefits, but will not attract UK tax benefits.
