ANU COLLEGE OF BUSINESS AND ECONOMICS
ACCESS SCHOLARSHIP
CONDITIONS OF AWARD

1. INTRODUCTION

Each year the ANU College of Business and Economics (“the College”) may offer an award known as the ANU College of Business and Economics Access Scholarship (“the award”).

The objective of this award is to strengthen educational outcomes for students both in terms of skills development and preparation for further study or employment, and raise awareness of the acute disadvantages that some students face in accessing university education.

Funding for the award has been provided by the ANU College of Business and Economics.

2. BENEFITS

The value of the award is stated in the letter of offer. The duration of the award is for up to four years of full-time study, (maximum of 192 units). The award payment will align to the recipient’s academic study load. For example, 24 unit enrolment constitutes 100% award payment; 18 unit enrolment constitutes 75% award payment, etc. The award will be paid at the beginning of each semester of the undergraduate program.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of this award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. ELIGIBILITY

The award is available to a prospective ANU student who:

(a) is an Australian citizen, Australian permanent resident, New Zealand citizen (or dual citizenship holders of either Australia or New Zealand) or Australian humanitarian visa Holder;

Deferred students who have applied for admission to the ANU in a previous intake, and then formally deferred their offer may still be considered for this award along
with the commencing cohort. However, these students will need to contact the College Scholarships Office to request consideration for the award.

4. APPLICATION

There is no separate application as students applying through UAC (http://www.uac.edu.au/equity/) are automatically considered based on them meeting the eligibility criteria or conditions prescribed under the eligibility section. The College may request a supporting statement.

5. SELECTION

Selection is made on the basis of academic merit and level of disadvantage demonstrated.

The award is offered to a student by a selection committee chaired by the Dean of the College (or nominee) and including two academic staff from the College. An interview with applicants may be required.

The College reserves the right to make no award if there is no candidate of sufficient merit. The College may also vary the number of awards and/or offer the award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

6. CONCURRENT HOLDING OF AWARDS

A recipient of the ANU College of Business and Economics Access Scholarship must seek permission from the Dean (or nominee) to concurrently hold other scholarships, awards, grants and bursaries.

Failure to declare and obtain permission to hold another award or scholarship may result in the recipient being required to refund a payment or payments to the College, as determined by the Dean of the College (or nominee).

7. DEFERMENT

The scholarship cannot be deferred.

8. ONGOING ELIGIBILITY

A recipient of this award may enrol on a full-time (18 or 24 units) or part-time basis (minimum 6 units).

If a recipient is unable to achieve the required WAM in any semester a formal warning letter is sent to the recipient’s campus email address.

If the recipient does not meet the required WAM in a subsequent semester they risk having their award suspended or terminated.
