ANU COLLEGE OF BUSINESS AND ECONOMICS  
CHANGING FUTURES SCHOLARSHIP  

CONDITIONS OF AWARD  

1. INTRODUCTION  
   Each year the ANU College of Business and Economics (“the College”) may offer an award known as the **ANU College of Business and Economics Changing Futures Scholarship** (“the award”).  
   
   The objective of this award is to strengthen educational outcomes for students both in terms of skills development and preparation for further study or employment, and raise awareness of the acute disadvantages that some students face in accessing university education.  
   
   Funding for the award has been provided by donors to the ANU College of Business and Economics Changing Futures Scholarship Fund.  

2. BENEFITS  
   The value of the award is stated in the letter of offer. The duration of the award is for up to three years of full-time study, (maximum of 144 units). The award payment will align to the recipient’s academic study load. For example, 24 unit enrolment constitutes 100% award payment; 18 unit enrolment constitutes 75% award payment, etc. The award will be paid at the beginning of each semester of the undergraduate program.  
   
   The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of this award are responsible for the costs of books, study materials, accommodation and all other costs of study.  

3. ELIGIBILITY  
   The award is available to a prospective ANU student who:  
   
   (a) is an Australian citizen, Australian permanent resident, New Zealand citizen (or dual citizenship holders of either Australia or New Zealand) or Australian humanitarian visa holder;  
   (b) is a current school leaver in Australia at an Australian High School (or College);  
   (c) receives an offer of admission and will enrol in an undergraduate coursework program offered by the College; and  
   (d) is eligible for Educational Access Scheme (EAS) financial disadvantage adjustment factors, and can demonstrate financial need through the UAC Equity Scholarships application process.
4. APPLICATION

The application is submitted on the prescribed form. Any requirement for supporting documentation and forwarding details will be stated on the application form and/or ANU Scholarships website. The application and all supporting documentation (where applicable) must be submitted on, or prior to, the closing date published on the ANU scholarships website.

Students who have applied for admission to the ANU in a previous intake, and then formally deferred their offer may still be considered for this award along with the commencing cohort. These students will need to contact the College Scholarships Office to request consideration for the award.

5. SELECTION

Selection is made on the basis of the applicant’s level of financial disadvantage demonstrated. Academic merit may be considered where two or more candidates are assessed as having the same level of financial disadvantage.

The award is offered to a student by a selection committee chaired by the Dean of the College (or nominee) and including two academic staff from the College.

The College reserves the right to make no award if there is no candidate of sufficient merit. The College may also vary the number of awards and/or offer the award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

If a recipient is unable to achieve the required WAM in any semester a formal warning letter is sent to the recipient’s campus email address.

If the recipient does not meet the required WAM in a subsequent semester they risk having their award suspended or terminated.
