1. **INTRODUCTION**

Each year the ANU College of Business and Economics (“the College”) may offer an award known as the ANU College of Business and Economics Regional and Rural Relocation Scholarship (“the Scholarship”).

The objective of this award is to assist students who are relocating to Canberra to study at the ANU College of Business and Economics for the first time.

Funding for this award has been provided by the ANU College of Business and Economics.

2. **BENEFITS**

The value of the award is stated in your letter of offer. The duration of the award is up to four years of full-time study, (maximum of 192 units). The award payment will align to the recipient’s academic study load. For example, 24 unit enrolment constitutes 100% award payment; 18 unit enrolment constitutes 75% award payment, etc. The award will be paid at the beginning of each semester of the undergraduate program.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of this award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. **ELIGIBILITY**

The award is available each year to a prospective ANU student who:

(a) is an Australian citizen, Australian permanent resident, New Zealand citizen (or dual citizenship holders of either Australia or New Zealand) or Australian humanitarian visa Holder;

(b) has completed a Year 12 qualification in Australia at an Australian High School (or College);

(c) has been schooled in, and resided in a regional and rural area outside of the Canberra region. This excludes students from the immediate Canberra surrounds (postcodes 0200, 2600-2612, 2614-2620, 2900-2914). Universities Admission Centre (UAC) Education Access Scheme (EAS) Schools Lists will be used to award the scholarship;

(d) is applying for admission to university for the first time; and

(e) has made an application for admission to the Australian National University to a single, or a flexible double degree with one of the programs offered by the ANU College of Business and Economics.
Deferred students who have applied for admission to the ANU in a previous intake, and then formally deferred their offer may still be considered for this award along with the commencing cohort. However, these students will need to contact the College Scholarships Office to request consideration for the award.

4. APPLICATION

There is no separate application as students applying for admission through UAC are automatically considered based on them meeting the eligibility criteria or conditions prescribed under the Eligibility section.

5. SELECTION

Selection is made on the basis of academic merit and eligibility under UAC’s EAS Schools Lists. The award is offered to a student by a selection committee chaired by the College Dean (or nominee) and two academic staff members from the ANU College of Business and Economics.

The College reserves the right to make no award if there is no candidate of sufficient merit. The College may also vary the number of awards and/or offer the award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

6. CONCURRENT HOLDING OF AWARDS

A recipient of the ANU College of Business and Economics Regional and Rural Relocation Scholarship must seek permission from the Dean (or nominee) to concurrently hold other scholarships, awards, grants and bursaries.

Failure to declare and obtain permission to hold another award or scholarship may result in the recipient being required to refund a payment or payments to the College, as determined by the Dean (or nominee).

7. DEFERMENT

The award cannot be deferred.

8. ONGOING ELIGIBILITY

A recipient of this award may enrol on a full-time (24 units) or part-time basis (minimum 6 units).

Recipients are expected to maintain a Weighted Average Mark (WAM) of 60% each semester (with the average being calculated across all courses taken in a particular semester).

If a recipient is unable to achieve the required WAM in any semester a formal warning is sent. If the recipient does not meet the required WAM in a subsequent semester they risk having their award suspended or terminated.

A recipient is given the opportunity to explain their performance and how their performance can be remedied before a decision on the suspension or termination of an award is made.

The scholarship will be suspended during periods of program leave.
9. CESSATION OF AWARD

The award ceases or should be surrendered:

(a) at the conclusion of the period outlined in section 2; or
(b) on the date on which the recipient withdraws or ceases to attend the University other than for approved absences;
(c) if a recipient transfers to a program that does not include a program offered by the ANU College of Business and Economics;
(d) if a recipient fails to meet the minimum academic performance requirements;
(e) if a recipient breaches academic or behavioural standards set by the University under the Academic Misconduct & Discipline Rules;

whichever is earliest.

10. REPAYMENT OF FUNDS

Subject to the information available at the time, the Dean (or nominee) may request that the payment for the semester in which the breach of conditions or withdrawal occurs be refunded in part or in full.

11. PROVIDING FALSE OR MISLEADING INFORMATION

The awarding of a scholarship/grant is based on the information provided to the University. An award may be withdrawn at any stage if incorrect, false or misleading information is provided or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment in awarding the scholarship/grant.
