1. INTRODUCTION
The Research School of Computer Science (hereafter referred to as "the School") may offer a scholarship from research funding or grants associated with research in the School. The scholarship will be known as the Computer Science Research Project Honours Year Scholarship. The Scholarship offer will be dependent on funding being made available for this purpose from the research program or grant.

2. VALUE
The value of the Scholarship shall be outlined in the formal scholarship offer letter. The Scholarship will normally be paid in two equal instalments, one at the beginning of each semester unless otherwise outlined in the scholarship offer letter.

The scholar is responsible for making payment of all his/her tuition fees by the prescribed date as set out by the University each session. Scholars are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. DURATION
Subject to the scholar complying with the performance requirements (listed in Section 10) the scholarship is tenable for two consecutive semesters only.

4. ELIGIBILITY
The Scholarship shall be available to students who are currently enrolled full-time at the Australian National University (ANU) in the Honours year of a program of study leading to the award of a Bachelor of Advanced Computing (R&D) (Honours), Bachelor of Advanced Computing (Honours), Bachelor of Software Engineering (Honours), Bachelor of Information Technology Honours, Bachelor of Science majoring in Computer Science Honours or an equivalent degree. The Scholarship shall only be held by a student undertaking a project or thesis approved by the funding research program.

5. APPLICATION
No formal application is required as eligible candidates will be automatically considered for the scholarship.

6. SELECTION
Selection for the Scholarship will be on the basis of academic merit for students undertaking a field of study which is approved by the funding research program for that year.

The Scholarship will be awarded on the recommendation of a selection committee which shall include the Director of the School (or nominee) and the leader of the fund research program (or nominee).

The Selection Committee may take into consideration the student's academic record as well as reports from two academic referees familiar with the student's work.

7. CONCURRENT HOLDING OF OTHER SCHOLARSHIPS/AWARDS
A student may not hold another ANU administered scholarship which has been awarded specifically with the Honours Year concurrently with the Computer Science Research Project Honours Year Scholarship.

8. DEFERMENT
The Scholarship must be taken up in the year for which the offer is made and cannot be deferred.
9. COMMENCEMENT

The Scholarship commencement date shall be outlined in the scholarship offer letter.

10. LEVEL OF PERFORMANCE

If a scholar’s academic performance in the first semester of the Honours year is unsatisfactory, the Dean/Director of the ANU College of Engineering and Computer Science (CECS) in consultation with the Director of the School, the second payment may be withheld. If the scholar varies his/her field of study in a fashion that is not approved by the funding research program, payment of the scholarship for the second semester may be cancelled.

11. ENROLMENT

A scholar must remain enrolled full-time in the Honours year of a program leading to the award of one of the degrees mentioned in Section 4. If the scholar varies his/her field of study in a fashion that is not approved by the funding research program, payment of the scholarship for the second semester may be withheld.

12. TERMINATION

The Scholarship shall terminate at the conclusion of the period outlined in Section 3.

13. REPAYMENT OF FUNDS

Should the Scholarship be terminated, the Dean of the College, if necessary, on the advice of the Director of the School, shall determine if any or all of the scholarship monies should be repaid.

14. INTERNATIONAL EXCHANGE

A scholar may not hold the Scholarship and go on Exchange.

15. TAXATION

A scholar is responsible for seeking taxation advice regarding his/her own individual circumstances.

16. PUBLICITY

A scholar may be requested to participate in publicity of the scholarship from time to time. This may include publicity in the state or territory of residence or of schooling. Scholars may be contacted for an interview and photograph. The University may also publicise the scholarship by publishing the name of the scholar. Arrangements for such publicity will be made through the School.

17. CONTACT

All enquiries regarding the Scholarship and changes, deferment and further information after acceptance should be made to:

Research School of Computer Science
ANU College of Engineering and Computer Science
CSIT Building 108
North Road
Australian National University ACT 0200

Email: Office@cs.anu.edu.au

18. DISCLAIMER

The scholar is subject to The Australian National University Act 1991 as amended and to the Statutes, Rules, Regulations and Resolutions of the University.

The award of a scholarship does not carry any commitment by the University for future employment.
