1. INTRODUCTION

There will be one (1) Scholarship available for this scholarship which will be co funded from NICTA and CECS. This Scholarship is offered for 3rd year female students who enrol in an undergraduate degree offered by ANU College of Engineering and Computer Science. The scholarship is limited to be offered 1 per year for two years.

2. VALUE

The Scholarship shall be valued at $10,000 per year.

3. ELIGIBILITY

The Scholarship shall be available to a female applicant who:

(a) Is an Australian or New Zealand Citizen or Australian Permanent Resident only.
(b) Has completed 2 years of courses at the undergraduate level.
(c) Enrols in COMP3620 and Optimisation Research Group project - (NICTA)
(e) Student will be constrained to undertake all courses within the ANU.

4. APPLICATION

There will be a call for applications by the ANU College of Engineering and Computer Science. Applicants must complete all components of the application and provide supporting documents wherever necessary.

5. SELECTION

A Selection Committee will be appointed and will make a recommendation for this Scholarship based on the student meeting all eligibility requirements set out above and subject to the availability of Scholarships. In the event that there are more eligible students than Scholarships available, eligible students will be ranked according to best results in Computer Science and Mathematics courses.

6. CONCURRENT HOLDING OF SCHOLARSHIPS OR SCHOLARSHIPS

Recipients may not hold other scholarships/Scholarships concurrently with the College of Engineering & Computer Science Computing Excellence Scholarship.

7. DEFERMENT

The Scholarship cannot be deferred.
8. **ENROLMENT**
   
a) The recipient is expected to enrol full-time in an undergraduate degree program offered by ANU College of Engineering and Computer Science.
   
b) In exceptional circumstances a student may be given permission to hold the Scholarship on a part-time basis. In such a case the Scholarship will be made on a pro-rata basis. The student must submit a written request and make a case citing the exceptional circumstances to hold the Scholarship on a part-time basis. The maximum duration of the Scholarship remains at two years irrespective of any change in unit load. The Scholarship shall be surrendered if the student changes to part-time enrolment without permission.

9. **TENURE**
   
The Scholarships are paid as a single instalment at the beginning of the first semester of study.

10. **TERMINATION AND WITHDRAWAL FROM PROGRAM**
   
The Scholarship shall terminate at the conclusion of the period outlined above, or on the date on which the student ceases to attend the University other than for approved absences, whichever is the earlier. The University may terminate the Scholarship before this time if the candidate does not fulfil her obligations, or if, in the opinion of the Delegated Authority in the College of Engineering and Computer Science, satisfactory academic progress is not being made by the student.

11. **REPAYMENT OF FUNDS**
   
If a student withdraws from their program, or transfers to a non-computing program within 12 months of being offered the Scholarship, the College may request that the Scholarship or a portion of the Scholarship be refunded. The determination will be made by the Delegated Authority in ANU College of Engineering and Computer Science.

12. **TAXATION**
   
It is the scholar's responsibility to determine the taxation implications of the Scholarship, if any, which apply to her individual circumstances.

13. **ACCOMMODATION**
   
It is the scholar’s responsibility to obtain residential accommodation. Information on student accommodation, including application details, can be found on the University Accommodation Services website: [http://rcc.anu.edu.au](http://rcc.anu.edu.au)

14. **PUBLICITY**
   
It is anticipated that recipients may be requested to participate in publicity of the Scholarship from time to time. This may include publicity in the state of residence or of schooling.

   On occasions, the scholar may be contacted by the College to participate in activities including, but not limited to, an interview, a photograph, and a formal Scholarship presentation ceremony. The College may also request written responses from the scholar which can include, but is not limited to, a summary of basic profile information, descriptions of University experiences, and a note of appreciation for the Donor who has funded their Scholarship.

   The University may publicise the Scholarship by publishing the names of the scholars. Arrangements for such publicity will be made through the ANU College of Engineering and Computer Science Marketing office.
15. CONTACT WITH THE COLLEGE

All enquiries regarding the Scholarship and changes, deferment and further information after acceptance should be made to:

Student Service Office
ANU College of Engineering and Computer Science
CSIT Building 108
The Australian National University
Canberra ACT 2601

Phone: +61 2 6125 4450
Email: student.services@cecs.anu.edu.au

16. DISCLAIMER

The Scholarship does not carry any commitment by the University for future employment.
