THE AUSTRALIAN NATIONAL UNIVERSITY
NATIONAL UNDERGRADUATE SCHOLARSHIP
Conditions of Award

1. **Introduction**
   1.1 There shall be a number of scholarships for new domestic students known as the ANU National Undergraduate Scholarship.
   1.2 The objectives of the scholarship are to reward academic excellence in secondary school studies and provide assistance with costs related to tertiary studies.

2. **Value**
   2.1 The value of the scholarship will be $12,500 per year for a maximum of five years. The scholarship shall be paid in two equal instalments at the beginning of each semester, unless otherwise stated in the scholarship offer letter.
   2.2 The scholar is responsible for making payment of all his/her tuition fees by the prescribed date as set out by the University each session. Scholars are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. **Eligibility**
   3.1 The Scholarship shall be available for award each year to a student who:
      (a) is an Australian citizen, New Zealand citizen, holder of an Australian Permanent Resident visa or a permanent humanitarian visa;
      (b) has completed their Year 12 or equivalent qualification and achieved excellent results as converted to an Australian Tertiary Admission Rank (ATAR) of 99.90 or above (no bonus points);
      (c) has not enrolled in any undergraduate degree program previous to commencing at the University;
      (d) has submitted an application for admission through the Universities Admissions Centre (UAC), or has accepted a deferred place to commence their studies in the year following the deferral.

4. **Application**
   4.1 No formal application is required as eligible candidates will be automatically considered for the scholarship.

5. **Selection**
   5.1 The Scholarship shall be awarded on the basis of the scholars meeting all eligibility requirements set out above.
5.2 In exceptional circumstances, the Registrar may consider requests for special consideration if a prospective student does not meet eligibility requirement 3.1 (c) above. The student must submit a request in writing to the Registrar stating their case in full and providing all relevant documentation.

6. **Concurrent holding of scholarships**

6.1 Scholars may not hold other scholarships/awards of equal or greater value, concurrently with the ANU National Undergraduate Scholarship. Scholars must submit a written request and make a case citing exceptional circumstances to the Chair of the University Awards Committee (the Chair) to concurrently hold other scholarships/awards of lesser value than the ANU National Undergraduate Scholarship.

7. **Deferment**

7.1 The Scholarship must be taken up in the year of offer and cannot be deferred. All scholarship offers are only valid for the year in which they have been made.

7.2 In exceptional cases, a student subsequently commencing a program after deferring their admission may request reconsideration of their eligibility for a scholarship, but that eligibility will be based on the requirements in force in the year of commencement, not the year in which the scholarship was first offered.

8. **Commencement**

8.1 The scholarship shall commence in the year that it was offered. The commencement date shall be outlined in the scholarship offer letter.

9. **Level of Performance**

9.1 ANU National Undergraduate Scholarship holders are expected to maintain a High Distinction (80%) average each semester (with the average being across all courses taken in a particular semester). Scholars achieving at a mid Distinction (75%) average in LAWS courses will normally be permitted to retain their scholarship.

10. **Duration**

10.1 The Scholarship is to be held for a maximum of five years on a full-time basis including an Honours Year, unless otherwise approved by the Chair.

11. **Enrolment**

11.1 A scholar must enrol in and remain enrolled in an undergraduate degree program offered at the University.

11.2 In exceptional circumstances, a scholar may be given permission by the Chair to hold the Scholarship on a part-time basis. In such a case the scholarship payment will be made on a pro-rata basis. The scholar must submit a written request and make a case citing the exceptional circumstances to hold the scholarship on a part-time basis.

11.3 The Scholarship shall be surrendered if the scholar changes to part-time enrolment without permission or withdraws from the program while holding the Scholarship.
11.4 If the scholar wishes to transfer program, he or she must submit a written request and make a case to the Chair to retain the Scholarship for the new program. The maximum duration of the scholarship remains at five years irrespective of any change in program.

12. **Termination**

12.1 The Scholarship shall terminate at the conclusion of the period outlined above, or on the date on which the scholar ceases to attend the University other than for approved absences, whichever is the earlier. The University may terminate the Scholarship before this time if the scholar does not fulfil his or her obligations, or if, in the opinion of the Chair, satisfactory academic progress is not being made by the scholar.

13. **Repayment of funds**

13.1 The Scholarship instalment for the semester in which the enrolment change or withdrawal occurred may be requested to be refunded in part or in full. The determination will be made by the Chair.

14. **International exchange**

14.1 Scholars will be permitted to retain the Scholarship whilst on an approved international exchange as part of their undergraduate program.

14.2 A scholar must submit a written request to the Chair for permission to retain the scholarship whilst on any other approved international experience.

15. **Taxation**

15.1 Scholars are responsible for seeking taxation advice regarding their own individual circumstances. Please note that scholarships may be regarded as taxable income if a scholar is enrolled on a part-time basis.

16. **Publicity**

16.1 It is anticipated that ANU National Undergraduate Scholarship holders may be requested to participate in publicity of the scholarship from time to time. This may include publicity in the state or territory of residence or of schooling. Scholars may be contacted for an interview and photograph. The University may also publicise the scholarships by publishing the names of the scholars. Arrangements for such publicity will be made through the Communications and External Liaison Office of the University.

17. **Disclaimer**

17.1 The award of a scholarship does not carry any commitment by the University for future employment.
