ANU ENTERPRISE CHEMISTRY SCHOLARSHIP

CONDITIONS OF AWARD

1. There shall be two scholarships for award by the University Awards Committee each year known as the ANU Enterprise Chemistry Scholarships.

2. The scholarship value may vary each year and shall be determined by the Head of Chemistry in the College of Physical Sciences. The scholarships shall be payable in two instalments, one at the beginning of each semester.

3. The scholarships shall be tenable for one academic year, and shall be awarded to the students who achieve the second and third best results in first year Chemistry; and:
   (a) who are or will be enrolled in the second year of a program leading to the award of an undergraduate degree offered by the ANU College of Physical Sciences; and
   (b) who are undertaking the equivalent of twelve units of second year chemistry.

4. Selection for the scholarships shall be on academic merit.

5. The scholarships shall be awarded on the recommendation of a selection panel which shall be chaired by the Head of Chemistry (or nominee).

6. If a scholar fails to enrol for the second year of the program leading to the award an undergraduate degree offered by the College of Physical Sciences or withdraws from the course before completing that year or fails to enrol or withdraws from enrolment in the equivalent of twelve units of second year chemistry:
   (a) the scholarship must be surrendered; and
   (b) the scholarship instalment for the semester in which the withdrawal occurs may be requested to be refunded in full or in part subject to the background and on the decision of the Head of Chemistry.

7. A scholarship shall not be awarded when, in the opinion of the selection panel, there is no applicant of sufficient merit.
