Dear [Name]

Freedom of Information Request No. 201600023C

I refer to your request, under the Freedom of Information Act 1982. I have taken your request to be for access to:

Reports and statistics, each year since 1 January, 2011, until the date of this application, on reported sexual assaults.

Specifically:

1. Each year for the past five years:
   a. Reported sexual assaults – differentiate between the type of assault including rape, attempted rape, indecent assault, sexual harassment, and sexual misconduct.
   b. Reported indecent filming ie non-consensual production or filming or photography of nude or sexualised imagery.

2. In relation to 1a and 1b provide a breakdown of gender and occupation (ie student/teacher/visitor) of the offender and victim, and whether it occurred on or off campus.

3. In relation to 1a, include the numbers each year for the following:
   a. Whether they were substantiated, unsubstantiated, withdrawn, or still under investigation.
   b. Of those substantiated provide a breakdown of the subsequent penalty eg how many were suspended, excluded, referred to police, warned, had a note put on their file.

4. In relation to 1b, include the numbers each year for the following:
   a. The number substantiated, unsubstantiated, withdrawn, or still under investigation.
   b. Of those substantiated provide a breakdown of the subsequent penalty eg how many were suspended, excluded, referred to police, warned, had a note put on their file.

5. Include related photos/CCTV/video footage.

As the Freedom of Information delegate I find that:
• 5 documents relate to your request. I also find that these documents are partially exempt from release under Section 22

Section 22 of the Act applies if:

(a) an agency or Minister decides:

(i) to refuse to give access to an exempt document; or;
(ii) that to give access to a document would disclose information that would reasonably be regarded as irrelevant to the request for access: and

(b) it is possible for the agency or Minister to prepare a copy (an edited copy) of the document, modified by deletions, ensuring that:

(i) access to the edited copy would be required to be given under Section 11A (access to documents on request); and
(ii) the edited copy would not disclose any information that would reasonably be regarded as irrelevant to the request; and

(c) it is reasonably practicable for the agency or Minister to prepare the edited copy, having regard to:

(i) the nature and extent of the modification; and
(ii) the resources available to modify the document; and

(d) it is not apparent (from the requestor from consultation with the applicant) that the applicant would decline access to the edited copy.

I have determined that the documents identified in the schedule of documents include matter irrelevant to the request and that information has been redacted from the documents.
