1. RESEARCH
   a. Attend an Exchange Info Session. ❱ Mar/April
   b. Check our website and program search.
   c. Research list of partners and course offerings.
   d. Check eligibility (units, year level, GPA, language requirements).
   e. Find 5 universities and complete a “College Endorsement Form“ (CEF) and obtain approval from your academic college.
   f. Get Language Approval Form (LAF) completed (if relevant)

2. APPLICATION
   b. Start your online application. Select your top university and complete the single application by uploading your CEF (and LAF if relevant).
   c. Within the single application, students must list up to FIVE university preferences, which are partners you are interested in. Then submit the application before the deadline. Exchange is very competitive so students need to realise many applicants may want the same universities and await allocation. ❱ May 31
   d. Log in to Global Programs System to accept (or decline) the nomination.
   e. Applicant must then APPLY to the allocated host university with supporting documentation, with application instructions contained in the “Learning Content‘ for that partner.
   f. Organise course approvals with your ANU academic colleges.
   g. Wait for offer from the host university.

3. NOMINATION
   a. Await exchange partner allocation results. ❱ mid-Aug
   b. Exchange is very competitive. The successful applicant is allocated one exchange partner from their listed preference.
   c. Log in to Global Programs System to accept (or decline) the nomination.
   d. Attend a Nomination Briefing.
   e. Applicant must then APPLY to the allocated host university with supporting documentation.
   f. Organise course approvals with your ANU academic colleges.
   g. Wait for offer from the host university.

4. PRE-DEPARTURE
   a. Apply for accommodation, health insurance, visas etc.
   b. Apply for OS-Help (if eligible).
   c. Attend a Pre-Departure Session.
   d. Complete an “Enrolment Change Form“.
   e. Obtain final course approval from your academic college.
   f. Finalise all arrangements like flights, immunisations, currency etc.
   g. Register with Smartraveller

5. ON-EXCHANGE
   a. Go on exchange!
   b. Keep in touch and continue to check your ANU email.
   c. Check ISIS to make sure that your exchange enrolment is correct.
   d. Share your exchange experiences on social media (Facebook, Instagram) and tag #anuglobalprograms
   e. Don't forget to order a transcript before you come back home (if applicable for your partner).
