ACT MEDICAL BOARD PROFESSIONALISM AND LEADERSHIP PRIZE – YEAR TWO

The ACT Medical Board supports the Professionalism and Leadership Prize for Year Two in order to promote knowledge of and interest in ethical and professional behaviour amongst doctors and students.

The genesis of this prize was a desire of the Medical Board to acknowledge the importance of medical ethics and personal development as part of a sound, well-rounded education of medical students. The Board sees this as a welcome opportunity to assist in the development of the promotion of moral, ethical and patient-centred behaviour amongst medical practitioners.

1. There shall be a prize for award by Council each year which shall be known as the ACT Medical Board Professionalism and Leadership Prize – Year Two.

2. The value of the prize is $250.

3. The Prize is for award each year to the student who in that year was:

   (i) Enrolled in Year 2 of the Bachelor of Medicine Bachelor of Surgery Program; and

   (ii) Who submitted as a component of the assessment for the Professionalism and Leadership an article at the end of Year Two and whose performance on the article was assessed by the Selection Committee as outstanding and reflecting comprehensive knowledge and application of Professionalism and Leadership issues at the Year Two level.

4. The members of the Selection Committee shall be drawn by the Dean, Medical School, from staff of the Professionalism and Leadership Theme Committee and the ACT Medical Board.
5. The Committee may also take into account the students’ performance in other aspects of Professionalism and Leadership in Years One and Two, most particularly the group presentations and debates.

6. A student is not eligible to be considered for the award of the prize if they are not of good standing with the Professional Behaviours Committee.

7. The prize shall not be shared.

8. If, in any year, no submitted article is assessed by the Dean of the Medical School acting on the advice of the Selection Committee as sufficiently outstanding and reflecting comprehensive knowledge and application of PPD issues at Year Two level, the prize shall not be awarded in that year.
