AUSTRALIAN NATIONAL UNIVERSITY
MEDICAL SCHOOL
ACT PSYCHIATRY PRIZE

Conditions of Award

1. There shall be a prize of $500 for award by Council each year which shall be known as the ANU Medical School ACT Psychiatry Prize.

2. The prize shall be awarded each year to the student who, in that year:

   (i) was enrolled in Year Four of the Bachelor of Medicine Bachelor of Surgery Program;
   (ii) obtained a Higher Level Performance result in a Scientific Essay on Psychiatry; and
   (iii) obtained a Higher Level Performance result in the Psychological and Addiction Medicine clinical and written assessments.

3. The members of the Selection Committee shall be drawn by the Dean, ANU Medical School, and include the Chair of the Academic Unit of Psychological Medicine.

4. The prize shall not be shared. If, in any year, two or more students achieve the same level of excellence, the winner will be determined by invitation to discuss their essay with the Selection Committee.

5. If, in any year, no student is assessed by the Dean of the Medical School, acting on the advice of the Selection Committee, as sufficiently outstanding and reflecting comprehensive knowledge of psychiatry, the prize shall not be awarded in that year.

The ACT Branch of The Royal Australian and New Zealand College of Psychiatrists has instituted this prize in order to promote knowledge of and interest in psychiatry as an exciting and worthwhile career option.
