THE AUSTRALIAN NATIONAL UNIVERSITY

COLLEGE OF PHYSICAL AND MATHEMATICAL SCIENCES

ADRIEN ALBERT HONOURS CHEMISTRY PRIZE

Conditions of Award

1. There shall be a prize of $500 for award each year which shall be known as the Adrien Albert Honours Chemistry Prize.

2. The prize shall be awarded to the student who in that year:
   (i) was enrolled in a program leading towards the award of a degree of Bachelor with Honours in the ANU College of Physical and Mathematical Sciences; and
   (ii) achieved the best result as shown by the award of the highest mark in the course Chemistry IV Honours (CHEM4005).

3. A student is not eligible to be awarded the prize in any year if:
   (i) the student is making a second or subsequent attempt at the course; or
   (ii) the student has previously pursued a course of study in a course, unit or subject (whether at the University or another tertiary education institution), the content of which, is in the opinion of the Director of Science Education substantially similar to the content of the course for which the prize is to be awarded.

4. If, in any year, two or more students achieve the same top mark, the prize awarded in that year shall be divided equally between them.

5. If, in any year, no student achieves results that, in the opinion of the Director of Science Education justify awarding the prize, the prize shall not be awarded in that year.
