THE AUSTRALIAN NATIONAL UNIVERSITY

COLLEGE OF SCIENCE

BOTANY PRIZE

Conditions of Award

1. There shall be a prize of $175 for award each year which shall be known as the Botany Prize.

2. The prize shall be awarded each year to the student who, in that year:
   (i) was enrolled in both the relevant course and a program leading to the award of the degree of Bachelor offered by the College of Science or College of Health and Medicine, and
   (ii) achieved the highest mark, in that year, in the area of Australian Plant Diversity (BIOL2122) on the recommendation of the Head of the Research School of Biology.

3. If the course Australian Plant Diversity ceases to be offered, the prize shall be awarded on the basis of achievement in another course or courses the content of which is determined by the Dean of Science to be similar in content to the course Australian Plant Diversity.

4. A student is not eligible to be awarded the prize if:
   (i) the student has made or is making a second attempt at a nominated course; or
   (ii) the student has previously pursued a program of study in a course, unit or subject (whether at the University or any other tertiary education institution) the content of which is, in the opinion of the Associate Dean (Education), substantially similar to the content of the nominated course.

5. If, in any year, two or more students achieve the same top mark, the prize awarded in that year shall be divided equally between them.

6. If, in any year, no student achieves results that, in the opinion of the Associate Dean (Education), justify awarding the prize in that year, the prize shall not be awarded in that year.
