THE AUSTRALIAN NATIONAL UNIVERSITY

COLLEGE OF SCIENCE

BOYAPATI COMPUTER SCIENCE AND MATHEMATICS

PRIZES FOR FIRST YEAR

Conditions of Award

1. There shall be ten prizes of $100 for award each year which shall be known as the Boyapati Computer Science and Mathematics Prizes for First Year.

2. The prizes shall be awarded to the students who, in that year:
   (i) were enrolled in a program leading to the award of the degree of Bachelor in the ANU College of Science or the ANU College of Engineering and Computer Science; and
   (ii) achieved the best results as shown by the award of the highest mark in twelve units of Computer Science courses and twelve units of Mathematics courses at a first year level or above. The majority of eligible courses should be 1000 level courses.

3. Advanced Studies Courses are considered eligible courses, subject to the focus of individual projects.

4. A student is not eligible to be awarded the prize in any year if:
   (i) the student is making a second or subsequent attempt at any of the courses; or
   (ii) the student has previously pursued a course of study in a course, unit or subject (whether at the University or another tertiary education institution), the content of which, is in the opinion of the Associate Dean (Education), substantially similar to the content of any of the courses for which the prize is to be awarded.

5. If, in any year, no student achieves the required result as determined by the Associate Dean (Education), the prizes shall not be awarded in that year.
