THE AUSTRALIAN NATIONAL UNIVERSITY

COLLEGE OF PHYSICAL AND MATHEMATICAL SCIENCES

ROYAL AUSTRALIAN CHEMICAL INSTITUTE PRIZE

Conditions of Award

1. There shall be a prize of $200 for award each year which shall be known as the Royal Australian Chemical Institute Prize.

2. The prize shall be awarded to the student who, in that year:

   (i) was enrolled in a program leading to the award of a degree of Bachelor, and
   (ii) achieved the best result as shown by the award of the highest aggregate mark in at least three 3000 series Chemistry courses to a minimum total of eighteen units.

3. A student is not eligible to be awarded the prize in any year if:

   (i) the student is making a second or subsequent attempt at the any of the relevant courses; or
   (ii) the student has previously pursued a program of study in a course, unit or subject (whether at the University or another tertiary education institution), the content of which is, in the opinion of the Director of Science Education, substantially similar to the content of any of the courses for which the prize is to be awarded.

4. If, in any year, two or more students achieve the same top aggregate mark, the prize awarded in that year shall be divided equally between them.

5. If, in any year, no student has achieved results that, in the opinion of the Director of Science Education, justify awarding the prize, the prize shall not be awarded in that year.
