Double Degree Programs (Various)	4, 5 or 6	Admission requirement is the higher cut-off of the two degrees, including prerequisites.																						

1 The University reserves the right to alter or discontinue its programs as required. Please note that not all degrees are available to commence in Semester 2. The scores published should be used as a guide only, and the University may vary these requirements at any time.

2 STPM best of 3 subjects (A=7, A-=6, B+=5, B=4, B-=3, C+=2, C=1). UEC best 5 subjects (A1=1, A2=2, B3=3, B4=4, B5=5).

3 UK GCE A Levels best 3 or best 4 subjects, whichever provides the higher rank (A*=6, A=5, B=4, C=3, D=2, E=1). All A Level exams must be taken in the same academic year, with the exception of one subject which can be from the preceding or following year.

4 Singapore A Levels entry for all programs (except Law) is the total of the best 3 H2 subjects (A=5, B=4, C=3, D=2, E=1) and the best H1 subject (A=2.5, B=2, C=1.5, D=1, E=0.5). The H1 subject may be content-based, General Paper or Knowledge & Enquiry. Mother tongue may not be included in the calculation. For entry to B Laws, entry is determined by the total of the best 3 H2 subjects, the best H1 content-based subject plus a minimum of B in either General Paper or Knowledge & Enquiry. Mother tongue may not be included in the calculation.

5 OSSD average of best 6 grade 12 University Preparation Courses or University/College Preparation Courses, including English (ENG4U). BCCG average from all grade 12 subjects except Graduation Transition (A=4, B=3, C+=2.5, C=2, C-=1, F=0).

6 Korea CSAT overall grade is calculated from results in Korean Language, Mathematics and Foreign Language (English) only.

7 HKDSE best 4 subjects excluding Chinese Language, Physical Education, Technology and Living, Tourism and Hospitality, Health Management and Social Care, and Religious Studies (5**=6, 5*=5.5, 5=5, 4=4, 3=3, 2=2, 1=1).

8 Students completing the International Baccalaureate, both in Australia and overseas, are encouraged to apply through the University Admissions Centre (www.uac.edu.au) as they may be eligible for academic bonus points. If students choose to apply directly to the ANU instead, they will not be eligible for academic bonus points and are required to nominate the ANU to receive their results directly through the IBO website.

9 ISC average from marks in English and best 3 externally examined subjects. AISSC total of best 4 externally examined subjects (A1=5, A2=4.5, B1=3.5, B2=3, C1=2, C2=1.5, D1=1, D2=0.5).

10 As well as presenting SAT or ACT results, students must also present: US-accredited high school diploma with an overall WGPA of 3.2 out of 4.0 (programs with an ATAR requirement below 90) or WGPA of 3.5 out of 4.0 (programs with an ATAR requirement of 90+). Students applying for entry to a Diploma program require a GPA of at least 2.0 out of 4.0.

11 Gao Kao requirements are for tests taken from 2017 onwards. Students who previously sat the Gao Kao with different total marks (Shanghai 600, Zhejiang 810) will be assessed using the university's previous requirements. Please contact the Admissions Office for further information if this applies to you.

12 Acceptable Foundation programs: ANU College, Monash, U Melbourne (Trinity), U Adelaide, U Sydney, UNSW, UQ, UWA, CIT, Deakin, RMIT, U Newcastle, U South Pacific, Western Sydney U, U Wollongong, U Tasmania, U Auckland, NCUK (case-by-case). The ANU College of Business and Economics also accepts Foundation results from: Renmin U, Shanghai U of Finance & Economics, Tsinghua U, Xiamen U. Please note that the ANU College of Law and the ANU College of Business and Economics use a different method of calculating the Foundation grade average to that shown on the ANU College Transcript of Results.

‡ This degree program has further selection criteria in addition to academic results.

** The results listed in this table are the minimum required for consideration. Selection is case-by-case and requires College approval.

° This program is only available for Semester 1 (February) commencement. Any exceptions are at the discretion of the academic College.

• There are a limited number of places available in this program. It can only be commenced in July/August at NUS in Singapore, and offers must be accepted by the preceding January.
