15 | Enter a permission number if you have been given one. Otherwise click *Save*

If the course you are trying to add will not allow you to continue without a permission number you will need to contact your ANU Academic College to obtain one.

*What is a permission number/code?* An ANU Academic College will sometimes place restrictions on a course, as only a select group of students meet the criteria to enrol. This could be related to prerequisite courses not completed at the ANU that a student needs to study, to portfolio presentation that proves aptitude for the course or to limitations on enrolment. If a student tries to enrol in this course without a permission code they will receive an *error message*. A permission code is issued by your College or School and overrides this restriction.

If you are facing this issue, contact your College to check if you are eligible for the course. If you are, they will assist you with being issued a permission code to enter into ISIS so that you may enrol.
Step | Action
--- | ---
16 | Click **Swap** to swap the enrolled course with another course within the same program. Click **Drop** to drop the course, Click **Add** to enrol in another course.

The class will appear in a list of classes you are enrolled in.

Step | Action

17 | Repeat Steps 9-16 to enrol for all of your courses for the remainder of the year so that you can plan your study year

18 | Return to your ISIS Homepage by clicking **Home** to check your courses are correct. Your courses will show up in the Current Enrolment Section
Congratulations!

You are now successfully enrolled.

Students who have transferred their Program will need to re-submit their eCAF for HECS-HELP, FEE-HELP and/or SA-HELP.

Domestic students wishing to access a FEE-HELP or SA-HELP loan should continue with these instructions.

Domestic Undergraduate and Postgraduate students wishing to obtain a SA-HELP loan for their Services and Amenities Fee (SAF) will also need to complete an eCAF for each program. Information about the SAF can be found here.

| Unable to submit electronic Commonwealth Assistance Form (eCAF) | ** For eligible undergraduate domestic students who have program transferred only.**
Ensure all fields have been completed.

If you have not supplied a Tax File Number (TFN) you will not be able to select ‘Obtain a HECS-HELP loan for ALL or PART of my student contribution amount’ as you are not eligible for a HECS-HELP loan until you provide your TFN. Please supply your TFN, or if you do not yet have one you must select ‘Full up-front payment of my student contribution amount’. You will then be able to submit your form.

Note: If you have not provided your TFN you will need to supply it before the census date to avoid fee liability (see instructions below). For Semester 1 courses the Census Date is 31 March, 2015.

Resubmitting eCAF

To access your eCAFs once the task wizard is complete select Main Menu>ISIS>Account Details>eCAF. You will then be able to input your TFN.

Note: you will not be able to change your answer to ‘12. Indication of payment option’ if you have previously submitted the form. You do not need to change this to access a HECS-HELP loan.
