**NOTES FOR REFEREES**

The applicant has named you as a referee in support of an application for graduate admission and/or scholarship at this University. To assist the Selection Committee in considering the application we should like to have your views on the applicant’s suitability for an award. The Committee is particularly interested in your opinion of the qualifications, experience, and, where appropriate, research ability or promise, of the applicant. In addition to your written comments, it would also help the Selection Committee if you would complete the brief questionnaire below and return it with your report.

— This Questionnaire is not intended as a substitute for the usual Referee Report. —

The report is requested from you and, if supplied, received by the University on a confidential basis and on the clear understanding that the University will do everything in its power to respect and maintain that confidence. The report will be disclosed only to those immediately involved in the selection process.

A referee who is a member of staff of the ANU is asked to note that the University has adopted the practice of making available to the applicant concerned those comments from members of the University which have been obtained in the performance of their duty, eg as a Head of Department. Although you are a member of the staff of this University, this report is requested on the basis of your particular expertise and the University acknowledges that the report is neither requested nor supplied in the performance by you of your duties as a member of the staff of the University.

Your assistance will be greatly appreciated.
