Finding Your Protocol Quick Guide

Login

Open a web browser and go to <https://aries.anu.edu.au/content/ASP/ANULogin.asp> Log in using your University ID and Horus password. If you are unable to login, ring the ARIES Helpdesk on ext 56782.

PLEASE BE AWARE that your ARIES session will expire if there is no activity for 15 mins. Save and close your protocol by clicking SAVE on the Header tab if you take a break during your data entry session. This 15 min timeout is imposed by ANU, and is not something we are able to change.
