ARIES Human Ethics Module

Finding Your Protocol Quick Guide

Login

Open a web browser and go to https://aries.anu.edu.au/content/ASP/ANULogin.asp. Log in using your University ID and Horus password. If you are unable to login, ring the ARIES Helpdesk on ext 56782.

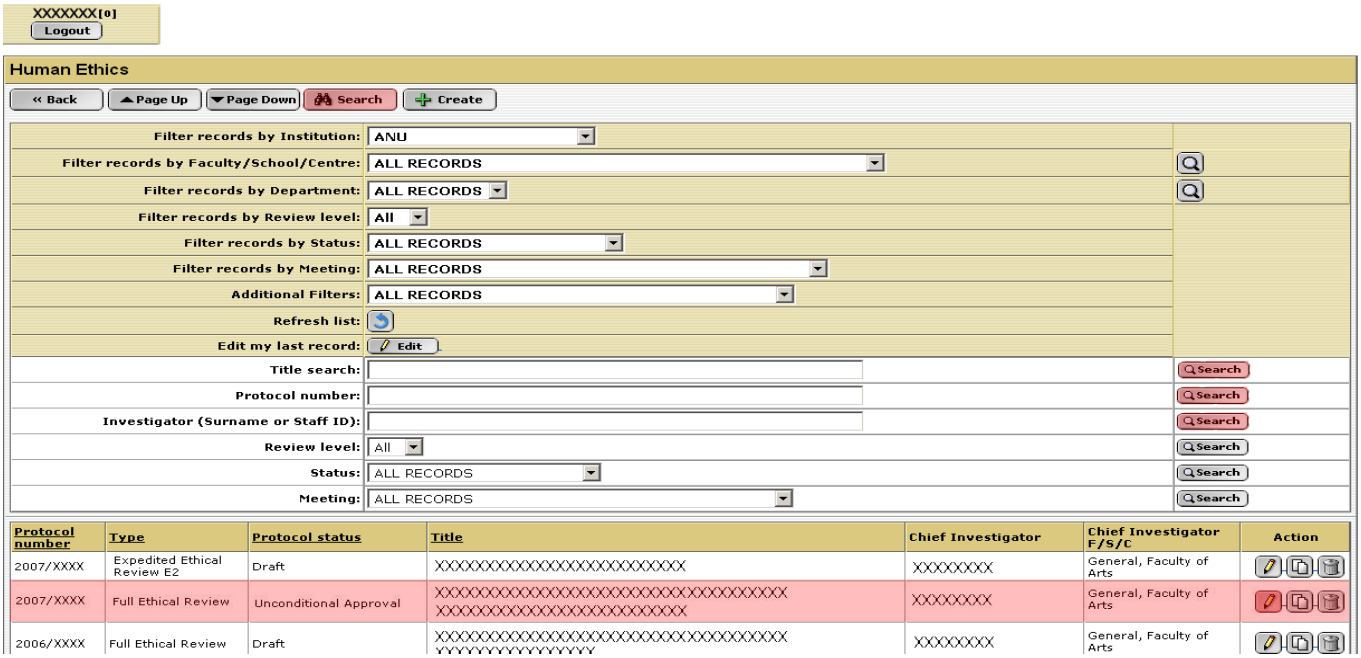
PLEASE BE AWARE that your ARIES session will expire if there is no activity for 15 mins. Save and close your protocol by clicking SAVE on the Header tab if you take a break during your data entry session. This 15 min timeout is imposed by ANU, and is not something we are able to change.

Finding your Protocol

ARIES opens to a **menu** displaying the various sections available to the user. The Human Ethics section has three menu options.

Select the 'List Existing Records' link. This takes you to your human ethics protocols.

Select the Search button and enter either your protocol number, protocol title or your surname in the white search fields that appear. Then select the Search button once you have entered your search field.



Once your protocol appears in the list, select the edit button against your protocol. This will take you to your protocol, where the entry screen is the Header tab Header.
