## Application for Transcript of Academic Record

*Please read these Notes before completing the form.*

- Do not complete this form if you are coming in to the SAS Enquiries Counter (Pauline Griffin Building) to purchase transcripts over the counter. This form is used to order transcripts and have them posted to you.
- Definition: A Transcript of Academic Record is a certified statement detailing a student's **complete** academic record at the University. It includes details of all programs/courses in which the student has had an effective enrolment and the marks/grades achieved in courses. (Marks are only included for courses taken since 1994.) It also lists University prizes and conferring details where applicable.
- Transcripts for current students will normally be ready for postage on the day the application is received, although there may be a delay during peak request periods following the official assessment periods and conferring ceremonies. Transcripts for students with records dating prior to 2002 may experience longer delays if your record needs to be located on the University's legacy computer system. If a student file needs to be called for from offsite storage a transcript may take up to one week to produce.
- The University cannot be responsible for meeting deadlines imposed by other institutions/organisations.
- No responsibility is accepted for the delivery time if transcripts are posted.
- The University does not send transcripts by fax or email because a faxed/emailed copy is not an original document.
- Transcripts printed before the end of First or Second Semester will not include that session's results. Results for intensive courses in Summer/Winter/Spring Session may be released before the end of session. Please check ISIS at <http://isis.anu.edu.au> before ordering a transcript if you want such results included.
- When ordering transcripts: – all students must provide photo identification (eg. drivers licence or passport):
  - a person other than the applicant must present written authority from the applicant, as well as their own photo ID.
  - a faxed/posted order must include one form of photo ID.
- If you wish for your transcript order to be sent to more than one address (ie one transcript to several tertiary institutions), please attach paperwork specifying each address. Please also note that International Express Post orders can not be delivered to a PO Box.
