Application for status (credit transfer)

Upon completing this form it should be lodged with your ANU College Student Office

Please read these notes before completing the form

Who should apply?

This form should be completed by all students who wish to apply for status (credit of courses studied in previous ANU programs or at previous tertiary institutions).

You may wish to apply for status if:

- You have recently transferred your program within ANU and would like to request status from courses studied in your previous program
- You have been readmitted to ANU and would like to request status for courses studied at a previous Australian tertiary institution
- You have been re-admitted to ANU and would like to request status for courses previously studied at ANU or elsewhere
- You have been admitted to ANU and would like to request status for previous non-award studies (including Year 12 extension courses)
- You would like to request status for previously approved cross-institutional/exchange or non-standard session courses that you have completed

When should this form be submitted?

Applications for status should be submitted prior to the commencement of your new program/degree.

Where should the form be submitted?

This form should be submitted directly to your ANU College Student Office, or Delegated Authority. Applications for Status are considered, approved and processed by Colleges.

If your form needs to be submitted to multiple ANU Colleges (e.g. combined degree students), you will need to submit a separate *Application for Status* form to each ANU College. If you are attaching copies of transcripts these can be certified by College Staff for the additional area you are submitting it to.

Applications for Status are not approved or processed by Student Administration Services.

What else do you need to know?

Attachments: If you are applying for status for courses that you studied elsewhere (not at ANU), you must attach:

- An official transcript from the institution (original or a certified copy)
- Course outlines for each individual course you are requesting status for

International Students: Status applications for international students will be processed as per Standard 12 of The National Code 2007 (available at http://aei.dest.gov.au/AEI/ESOS/NationalCodeExplanatoryGuide/PartD/Standard_12.htm).

In accordance with The National Code 2007, international students will be sent an offer of status by the Delegated Authority.

This offer must be accepted and returned to the Delegated Authority before the status is processed.

Appeals: If you are dissatisfied with the decision regarding your status application, you should inform your relevant College Office in writing within 28 days of your status notification that you wish to have the decision reviewed.

If you are still dissatisfied with the decision, you may seek a review by the College Dean or Delegated Authority.

If you are still dissatisfied at that point, you may request the Registrar, Student Administration Services to arrange for the Status and Exemptions Appeals Committee to review the decision. The request must be lodged in writing with the Registrar within 30 days of your being informed of the College Dean or Delegated Authority's decision.

Appeal provisions for undergraduate students are set out in the Undergraduate Award Rules, and procedures are detailed in the "Review of Decisions Made by Deans under the Undergraduate Award Rules". This document is available at:
