Dear ANU Graduand,

Congratulations on completing your degree at Australia's premier university!

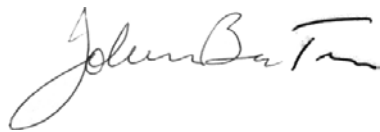

I hope you have made the most of your Sports Union and its many services during your time at ANU. The good news is that you can continue to be a member of the Sport and Recreation Association as a Graduate simply by renewing your membership each year and paying the annual membership fee.

Graduate membership entitles you to all the benefits you had as a student member including:

- Discounted facility usage fees (including gym and group fitness memberships)
- Access to our affiliated Clubs
- Discounted Sport and Recreation Programs
- Accident insurance cover

If you are planning to stay in the ACT this is an ideal opportunity to continue your links with your friends and colleagues and The Australian National University.

Very best wishes for a bright future!
