Student Central COVID-19 preventative measures

*Updated 27/8/20*

Student Central are encouraging our community to stay proactive about the risks of COVID-19.

Your responsibilities on campus
When on campus, you have responsibilities to others. As outlined in our [University Guidelines](#), you must:

- Wash your hands regularly, especially after touching communal surfaces
- Avoid touching your eyes, nose and mouth
- Cover your mouth and nose with a tissue when coughing and sneezing or cough into your elbow
- Maintain a physical distance of 1.5 metres from other people
- Follow the instructions of ANU staff regarding COVID-Safe guidelines

You can read more on our [COVID-Safe campus webpage](#) and [sensible precautions webpage](#) or by reading the [University Guidelines](#).

Additional responsibilities when attending Student Central’s Pop-up service:

It is a requirement of entry to Student Central’s Pop-up service that you follow our COVID-19 preventative measures:

- Attendance is by appointment only. This is to ensure contact information is recorded for contact tracing purposes (if required) and physical distancing is practiced. Drop-ins will not be accepted for our pop-up service and you will be asked to leave if you arrive without an appointment.

- One person per appointment booking. This is to ensure contact information is recorded for contact tracing purposes (if required) and physical distancing is practiced. You must not bring other people along to your appointment.

- Use hand sanitiser upon entering our service.

- Do not attend our service if you are feeling unwell, are awaiting a test result for COVID-19 or have been advised to complete a quarantine period by ACT Health.

- Wearing a mask on campus is not mandatory, but we strongly recommend wearing a face covering to help prevent the spread of COVID-19 in our community.

If you do not follow these measures you may be asked to leave our service.
