Guest Speaker

Mr Gustad Bosman

Gustad Boman is the Chief Executive Officer at F1 Solutions. A technology veteran, he built F1 Solutions from a start-up database company in the late 1990s into a pioneering SaaS and cloud services technology player. His vision is for a business with international operations powered by rich IP and “good technology that empowers clients to effect change and transform their futures”.

Before F1 Solutions, Gus was a senior client relationship executive and technologist at IBM. He made significant contribution to IBM Australia’s operation in Canberra.
