A | What are the key steps? | 34 |
B | Important considerations | 35 |

36 |

37 |
Studying at Australia's number one university, the Australian National University (ANU), is an unparalleled experience. It’s even better when you know you’re living in a place that is convenient and safe. For many students, starting university means moving out of home for the first time and we understand the importance of finding the right place to live.

Living on campus offers a unique opportunity to immerse yourself in the ANU experience. Being in on-campus residences allows you to meet and quickly make friends with people from a variety of backgrounds and cultures. Each residence is a safe and supportive community with its own distinctive character, providing open and inviting spaces for socialising and studying, as well as a range of academic support services to help you get the most out of university life.

We are committed to promoting equal opportunities and have wheelchair-accessible accommodation in all Residences. Our staff and student leadership teams aim to make our Residences great places to live, learn and grow. Our Residences are dedicated to the care and wellbeing of residents, and each has a dedicated team of residential staff on site to ensure that the Residence is a safe and positive community conducive to learning.

We offer rooms to suit all budgets and lifestyles including catered or self-catered, ensuite or shared facilities. Whatever accommodation option you choose, you will find a great atmosphere with a welcoming student community.

Each Residence organises activities for its residents so that they can balance their academic and social lives. We believe that a positive, healthy, and safe residential life is essential for academic and social success, and we are dedicated to making this experience as meaningful and enjoyable as possible.

This brochure provides information on each of our residences, please also have a look at our website to seek additional information or contact the residence or the central accommodation team to learn more about our on-campus residential communities. Information on how to apply for accommodation is also on our website: www.anu.edu.au/study/accommodation.

Ms Nicki Middleton PSM
Chief Residential Services and Operating Officer
Why live on campus?

As an academic residential community, we provide a ‘home away from home’ that provides unique opportunities for intellectual, cultural, social and sporting engagement.

We welcome residents who are accepting of others, and are keen to make a contribution, and participate in the myriad of events — sporting, cultural and academic — that we offer.

On-campus residences provide

- Accommodation that helps students feel safe and comfortable living on campus.
- Opportunities to meet new people from diverse cultures and share experiences.
- Engagement with the community and attend activities.
- Accessible rooms and amenities available.
- Academic support and enrichment.
- A place that supports your transition to independent living.
Community

Each of our Residences offers a unique and inclusive communal living experience. The wellbeing team at our Residences support students throughout their time as part of the ANU community.

Diversity, Equity, Inclusion and Belonging

ANU Residences are committed to providing an inclusive and respectful environment for all students. All students have a right to belong at ANU, free of harassment or discrimination.

Students are encouraged to learn from each other and model positive attitudes that make everyone feel welcome.
Arts

The Residences provide facilities for music practice and for music performances. Cultural activities such as theatre, musical recitals, and poetry evenings are held throughout the year.

Cultural activities

Include chess, debates, public speaking, trivia competitions, annual art exhibitions, talent nights and short story writing. These all contribute towards the Inter-Hall Arts Shield. There is also an Inter-Hall Social Committee who organises the annual Inter-Hall Ball.
Academic Support and Enrichment

Students in the Residences have access to a program and framework which cultivates mutually enriching partnerships between the ANU residences, academic and professional units on campus, and the ACT community. This program of activities extends residential students’ learning and development opportunities beyond the classroom. The framework is based on four pillars: Academic Support & Assistance; Academic – Extension; Career Development; and Cultural Learning.

Sport

Residents are encouraged to get involved in the Inter-Hall sports competition at ANU. This involves competing in a wide array of sports, which contribute points towards the annual sports shield.

There are many sports to choose from including men’s and women’s hockey, tennis, basketball, cricket, volleyball, soccer, table tennis, swimming and the Daley Road Relay. Other sporting options are Inward Bound, rugby league, netball, softball and Aussie Rules. All residents are encouraged to have a go at the various sports.
**Testimonial**

I have enjoyed my time living on campus at Wright Hall. Moving from interstate, Wright has provided me a home away from home where I have been able to make lifelong friendships and connections while at university. The convenience of living on campus, coupled with the flexi-catering at Wright has meant that I have had more time to focus on my university studies and throw myself into student life on campus, which has been one of the highlights of my time here. Reflecting upon my almost 3 years of living in a Hall, I am really grateful that I was able to have this experience as it has given me the opportunity to get the most out of my time at ANU.

Marissa Ellis  
Wright Hall Resident 2022

---

**Testimonial**

Living on campus at Wamburun is a great experience. Wamburun is one of the most diverse halls on campus, filled with residents from around Australia and the world. With a capacity of 500 residents there are so many new people to meet and so many lifelong friendships to create. You are also walking distance from classes and shops. On-campus living is an unforgettable experience, and there is no better place to do it than the ANU.

Ben Leung  
Wamburun Hall Resident 2022
Testimonial
Moving from my regional hometown of Tamworth to Canberra was a big step for me. I had never lived away from home before — let alone so far away — and all my school friends either stayed in town or went to universities a lot closer to home.

Canberra felt big and busy, so I was really grateful that I moved into Bruce Hall, which is my residential college. Some of the older students that I lived with took us on walks into the city so that we could find our way around, showed where to park our cars and where to buy our books, so that we weren’t figuring everything out on our own.

Despite not knowing anybody in Canberra when I first moved, I felt immediately welcome at Bruce. There were heaps of events and activities to help all of us get to know each other; though all of us were coming from different places — rural, regional, or metropolitan — we were all finding our way in a new environment.

Bruce Hall has become a home away from home for me, and the opportunities that I’ve had here have been amazing. Living on campus at the ANU, I’ve met and built relationships with hundreds of talented, motivated people from all over Australia.

I’ve learned about leadership, teamwork, and how to push myself and aim higher. I feel so lucky to be a part of a community that is so supportive and conducive to growth, but that also allows me to stay true to myself.

Ellie George
Bruce Hall Resident 2021

Testimonial
Growing up in regional Victoria, Canberra and the ANU seemed worlds away from our small town. Moving here, Burton and Garran Hall provided a home away from home which I am convinced is the best I will ever experience.

The community thrives on a culture of what can only be described as rambunctious kind-heartedness — from the moment I arrived, I felt that the staff, pastoral care team and the community as a whole genuinely cared for my wellbeing. There is a place for everyone at B&G, of all backgrounds and interests; it is this melting pot of life-histories which helped me expand my horizons to sporting and academic opportunities which I may have never experienced otherwise.

In addition, living on campus with such a diverse group has helped me to become fast friends with people I could never have met without the supporting nature of this community. Without hesitation, I can highly recommend B&G as a welcoming place for anyone considering on-campus living.

Maisie Walker Stelling
Burton & Garran Hall Resident 2021
International students

Cultural diversity and cross-cultural awareness is embraced across the ANU campus. Learning, growing and developing an understanding of our student’s country of origin sees our campus being truly an international one.

We have plenty of room for international students who can choose to live in a mixed student community or a specialist undergraduate or postgraduate residence.

Living in a Residence is a great opportunity to meet new people and to build your connections. Students might have different academic studies to you, have different hobbies and interests and may come from many different countries. Together you can share in learning new life skills, new recipes and new experiences.
Location

ANU Residences are all within walking distance to shops, lecture theatres and public transport. Canberra has some of the best cycling infrastructure in Australia with dedicated on and off-road bicycle paths connecting all of Canberra’s suburbs. ANU is well serviced by bike paths and is a quick cycle away from the town center of Civic. All ANU Residences offer secure bike storage.
Transport

ANU offers limited paid parking. If you intend on bringing a car you should discuss with ANU parking prior to arrival at parking@anu.edu.au. With reliable public transport, short distances and great cycling facilities, we encourage you not to bring a car.

Transportation is easily accessible being so close to the city; buses, Uber, taxi services and the tram are all great forms of travel. The services are reliable and timely. There are walking tracks close by with some of the best views of Canberra. If you like to hike, Black Mountain Tower is on your doorstep.

In Canberra we also have access to e-scooters. These e-scooters, or electric scooters use a rechargeable battery as a power source. You can also choose car sharing services provided by Flexicar and bike share services at the Acton campus. For more information about these services, please refer to: https://services.anu.edu.au/campus-environment/transport-parking/carshare-scheme https://services.anu.edu.au/campus-environment/transport-parking/bike-share
Applying for accommodation 2024

Contact the Accommodation team for more information by emailing uni.accom@anu.edu.au anytime or by phoning +61 2 6125 1100 between 9am and 5pm Monday to Friday (AEST/AEDT).

When do I apply for accommodation?
There are different ways to apply depending on your pathway to entering the ANU.

Applying as a domestic undergraduate directly to the ANU
Domestic undergraduate applicants can apply for academic admission and accommodation directly to the ANU. As a domestic direct undergraduate applicant, you are guaranteed accommodation in one of our approved residences. Your accommodation application is included as part of your direct application to ANU. No additional application is required. When you apply, you will be asked to nominate your accommodation preference. We will do our best to offer you your preference, however this is not guaranteed.

Applying as an international or domestic student
All international students, postgraduate domestic students and undergraduate domestic students who did not apply directly to ANU, apply for academic admission via UAC. If you fall into this category, you must apply for accommodation via the ANU Accommodation Portal: https://anucmb.starrehousing.com/StarRezPortalX Your application must be completed in full and submitted within the specified dates. Incomplete applications are not considered.

All accommodation applications are free and there is no obligation so we encourage you to make an application within the timelines.

You do not need to wait for an academic offer to complete your application. Accommodation offers will be made after academic offers have been released.

Your accommodation offer will be sent to the email you included in your application.

To determine if you are eligible for the accommodation guarantee, please visit our website for more information: www.anu.edu.au/study/accommodation/accommodation-application-advice/accommodation-guarantee-at-anu

Can I terminate my Occupancy Agreement?

Prior to moving in:
- Before the deadline to accept your final offer, you can notify us by emailing uni.accom@anu.edu.au.
- After the deadline to accept your final offer has passed, clause 10 and 12 of your Occupancy Agreement apply.
  This states you remain liable for your tariff until the end of your Occupancy Agreement.

After moving in:
- After the deadline to accept your final offer has passed, clause 10 and 12 of your Occupancy Agreement apply.
- This states you remain liable for your tariff until the end of your Occupancy Agreement.
We offer a diverse range of catered and self-catered student residences, as well as a vibrant campus community within easy walking or cycling distance of the city. To assist students with a disability in living well on campus, we provide wheelchair-accessible accommodation as well as wellbeing care services. This guide is designed to assist you with making the right choice for your individual circumstances.
Bruce Hall offers 372 rooms in Main Wing. Bruce Hall has established itself as a true community of scholars, where individualism is respected and excellence in all things is encouraged. The Hall fosters a positive community where diversity is celebrated and inclusivity nurtured.

Griffin Hall offers opportunities for students who are not living at campus accommodation to engage in a dynamic and connected university experience.

Griffin Hall is a non-residential community established in 2010 as the first of its kind in Australia. Students who are part of Griffin Hall can access events, networks, sports, art, friendships, pastoral care, leadership opportunities and more.

Non Residential Community

Griffin Hall has a dedicated common room equipped with facilities such as a study area, kitchenette, and a space to relax and socialise that are available for all members to access between 6am and 10pm daily.

Griffin Hall also has an integrated postgraduate community known as Walter Wing. Focused towards delivering events and services geared mature aged and postgraduate students.

Building 18, 31 North Road, Acton
griffinhall@anu.edu.au
How do I apply?

What are the key steps?

**Step 1:**
Browse your accommodation options to decide which residence is the best choice for you. We have both catered and non-catered options, as well as communal and apartment living options.

[https://youtu.be/vjMBZuy1-so](https://youtu.be/vjMBZuy1-so)
[https://youtu.be/Kr_fUNx6cfc](https://youtu.be/Kr_fUNx6cfc)
[https://youtu.be/RKR7X3in3rs](https://youtu.be/RKR7X3in3rs)

Look at the 360 videos and 3D virtual tours of each residence on our website to give you a better sense of the amenities and lifestyle they offer [www.anu.edu.au/study/accommodation/student-residences](http://www.anu.edu.au/study/accommodation/student-residences).

When you apply for accommodation, you will be asked to nominate your preferred residence. We will do our best to offer you your preference, however this is not guaranteed.

**Step 2:**
Check to see if you are covered by the accommodation guarantee. Deadlines for applying for accommodation depend on whether you meet the criteria for an accommodation guarantee.

We guarantee an offer of accommodation to the following undergraduate students:

<table>
<thead>
<tr>
<th>Indigenous students</th>
<th>Undergraduate students with a disability</th>
<th>Tuckwell scholars, incoming approved exchange students</th>
</tr>
</thead>
<tbody>
<tr>
<td>First year, first semester, domestic undergraduate students</td>
<td>First year, first semester, international undergraduate students</td>
<td>Transferring undergraduate students from another institution</td>
</tr>
<tr>
<td>ANU Medical School students</td>
<td></td>
<td>Up to 50 local places for First year, first semester students of the ACT</td>
</tr>
</tbody>
</table>
**Step 3:**
Applications for accommodation are submitted through the Accommodation Portal and managed centrally. You will need to:

1. Register in the ANU Accommodation Portal:
   https://anucmb.starrezhousing.com/StarRezPortalX
2. Receive a registration confirmation email
3. Complete your application in full.

**Step 4:**
Receive and accept your offer. Accommodation offers are made on a rolling basis. Offers are made separately from your offer to study at the ANU and can be offered at any point up to commencement of semester.

You will receive an email with the information regarding your offer outcome and you will need to accept the offer within the timelines as stated.

Applications are free and there is no obligation to accept an offer. If you accept an offer of accommodation but decide to not come to the ANU, you must withdraw by the dates indicated in the ‘Important Dates’ section.

**Important considerations**
You should apply for accommodation before you are offered an academic place at ANU, even if you aren’t sure if you will accept your offer of study.

You may receive an offer for a residence different to your selected preference and costs may vary (e.g. you may have preferred a catered residence, but you may be offered self-catered).

If you want to change or cancel your accommodation, please email the Accommodation team on uni.accom@anu.edu.au or call on +61 (2) 6125 1100. Please provide your 6-digit application ID, student ID and full name at the time of contact. Please refer to the ‘Important Dates’ section.
