

ANU REGION SCHOLARSHIP CONDITIONS OF AWARD

1. INTRODUCTION

Each year the Australian National University (“the University”) may offer a number of awards known as the ANU Region Scholarship (“the award”).

The objectives of the award are to reward academic excellence in secondary school studies, from students in regional, rural and remote areas and provide assistance with costs related to tertiary studies.

Funding for this award has been provided by the University.

2. BENEFITS

The value of the award is stated in your letter of offer. The duration of the award is up to 5 years. The award is paid in equal instalments at the beginning of semester unless otherwise stated in the letter of offer.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of this award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. ELIGIBILITY

The award is available each year to a prospective ANU student who:

- (a) is a domestic student;
- (b) receives an offer of admission to an undergraduate degree program offered by the University;
- (c) has been schooled in, and resided in a regional and rural area outside of the Canberra region. This excludes students from the immediate Canberra surrounds (postcodes 2600-2612, 2614-2620, 2900-2914). Universities Admission Centre (UAC) Education Access Scheme (EAS) [Schools Lists](#) (S01C) will be used to determine the regional status of a school.

4. APPLICATION

All applicants applying for admission through the ANU Admission Scholarship and Accommodation Application System will be automatically considered for the award based on them meeting the eligibility criteria and electing to be considered for scholarships.

Where there are no eligible direct applicants or where the pool of eligible direct applicants has been exhausted, the Award may be offered to an eligible student applying for admission via the University Admissions Centre (UAC).

5. SELECTION

Selection is made based on applicants meeting the eligibility criteria. Eligible applicants will be placed in a merit list according to the state/territory (excluding ACT) in which they reside. To align with the University's strategic objectives to ensure a diverse student cohort, at least two recipients will be selected from each state/territory where possible.

Where there are multiple applicants who meet the eligibility criteria, selection will be determined by a merit list ordered by:

- residential address ranked from 1) Very Remote, 2) Remote to 3) Outer Regional area. Applicants can check the regional and remote classification of their residential address at [DoctorConnect](#); then
- adjustment factors received for low socio-economic status with applicants ranked from lowest Socio-economic indexes for areas (SEIFA) to highest; and
- if necessary, the highest ANU Selection Rank.

The award is offered to a student by the University Coursework Scholarships Committee. Membership of this committee is outlined in the ANU Coursework Scholarships procedure.

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of awards and/or offer the award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

6. CONCURRENT HOLDING OF AWARDS

A recipient of the ANU Region Scholarship is permitted to hold concurrent scholarships as outlined in the ANU Coursework Scholarships procedure.

7. DEFERMENT

The award cannot be deferred.

8. ONGOING ELIGIBILITY

A recipient of this award is required to enrol in a full-time load (minimum of 18 units) per semester. A recipient requests permission, in writing, from the nominee of the Chair of the University Coursework Scholarships Committee to hold the award on a part-time basis. If approved, payments of the award will be made on a pro-rata basis.

Recipients are expected to maintain a GPA of 4.0 or above each semester (with the GPA being across all courses taken in a particular semester or session/s overlapping that semester).

If a recipient is unable to achieve the GPA in any semester a formal warning is sent.

If the recipient does not meet the required GPA in a subsequent semester they risk having their award suspended or terminated.

A recipient is given the opportunity to explain their performance and how their performance can be remedied before a decision on the suspension or termination of an award is made.

9. CESSATION OF AWARD

The award ceases or should be surrendered:

- (a) if a student no longer meets the eligibility requirements
- (b) at the conclusion of the period outlined in section 2; or
- (c) on the date on which the recipient withdraws or ceases to attend the University other than for approved absences;
- (d) if a recipient fails to enrol as required in section 8;
- (e) if a recipient changes to part-time enrolment without permission,
- (f) if a recipient fails to meet the minimum academic performance requirements;
- (g) if a recipient breaches academic or behavioural standards set by the University under the Academic Misconduct & Discipline Rules;

whichever is earliest.
