BACHELOR OF MATHEMATICAL SCIENCES SCHOLARSHIP

CONDITIONS OF AWARD

1. INTRODUCTION

The Mathematical Sciences Institute (MSI) offers an award known as the Bachelor of Mathematical Sciences Scholarship (“the award”). This award will be offered each year from 2020.

The objective of the award is to support high achieving students undertake the Bachelor of Mathematical Sciences program through to Honours. MSI within the ANU College of Science (“the College”) aims to strengthen educational outcomes, especially for students from regional, rural and financially disadvantaged backgrounds.

Funding for the award has been provided by the Mathematical Sciences Institute.

2. BENEFITS

The value of the award is stated in the letter of offer. The duration of the award is for up to four years. The award will be paid in equal instalments each semester after the census date of the undergraduate program.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of this award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. ELIGIBILITY

The award is available to prospective ANU students who:

(a) is a domestic student
(b) receives an offer of admission to a Bachelor of Mathematical Sciences program, with flexible and double degrees also accepted.

4. APPLICATION

All applicants applying for admission through the ANU Admission Scholarship and Accommodation Application System will be automatically considered for the award based on them meeting the eligibility criteria and electing to be considered for scholarships.

5. SELECTION

Selection is made on the basis of applicants meeting all eligibility requirements. When allocating scholarships, preference will be given to students who meet the following criteria, in the following order of priority:

(a) applicants schooled in a rural, regional or remote area;
(b) applicants with financial hardship
(c) applicants with the highest selection rank.

Bachelor of Mathematical Sciences Scholarship (35/2019)
The award is offered to a student by the University Coursework Scholarships Committee. Membership of this committee is outlined in the ANU Coursework Scholarships procedure.

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of awards and/or offer the award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

6. **CONCURRENT HOLDING OF AWARD**

A recipient of the Bachelor of Mathematical Sciences Scholarship is permitted to hold concurrent scholarships as outlined in the ANU Coursework Scholarships procedure.

7. **DEFERMENT**

The award cannot be deferred.

8. **ONGOING ELIGIBILITY**

A recipient of this award is required to enrol in a full-time load of 24 units per semester. A recipient requests permission, in writing, from the Director, Mathematical Sciences Institute or Dean, ANU College of Science (or nominee) to hold the award on a part-time basis. If approved, payments of the award will be made on a pro-rata basis.

Recipients are expected to maintain a Grade Point Average (GPA) of 6.0 or above each semester (with the average being across all courses taken in a particular semester or session/s overlapping that semester).

If a recipient is unable to achieve the GPA in any semester a formal warning is sent.

If this recipient does not meet the required GPA in a subsequent semester they risk having their award suspended or terminated.

A recipient is given the opportunity to explain their performance and how their performance can be remedied before a decision on the suspension or termination of an award is made.

9. **CESSATION OF AWARD**

The award ceases or should be surrendered:

(a) if a student no longer meets the eligibility requirements;
(b) at the conclusion of the period outlined in section 2; or
(c) on the date on which the recipient withdraws or ceases to attend the University other than for approved absences;
(d) if a recipient fails to enrol as required in section 8;
(e) if a recipient changes to part-time enrolment without receiving permission to retain their scholarship;
(f) if a recipient transfers program;
(g) if a recipient fails to meet the minimum academic performance requirements;
(h) if a recipient breaches academic or behavioural standards set by the University under the Academic Misconduct & Discipline Rules;
whichever is earliest.

10. REPAYMENT OF FUNDS

Subject to the information available at the time, the Director, Mathematical Sciences Institute or the Dean, ANU College of Science (or nominee) may request that the payment for the semester in which the breach of conditions or withdrawal occurs be refunded in part or in full.

11. PROVIDING FALSE OR MISLEADING INFORMATION

The awarding of a scholarship is based on the information provided to the University. An award may be withdrawn at any stage if incorrect, false or misleading information is provided or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment in awarding the scholarship.

12. TAXATION & CENTERLINK

Recipients are responsible for seeking taxation and Centrelink advice regarding their own individual circumstances. Scholarships/grants may be regarded as taxable income if a recipient is enrolled on a part-time basis.

For information on how your award may affect your Centrelink benefits, see this website http://www.humanservices.gov.au/customer/enablers/income/

13. ACCOMMODATION

It is the recipient’s responsibility to obtain residential accommodation. Information on student accommodation and application forms are available from the University Accommodation Services. Information may be found on the Web at: http://www.anu.edu.au/study/accommodation

14. PUBLICITY

The recipient may be requested to participate in publicity for the award from time to time. This may include publicity in the state or territory of residence or of schooling. Recipients may be contacted for an interview and photograph. The University may also publicise the award by publishing the names of the recipients. Arrangements for such publicity will be made through the Mathematical Sciences Institute or Strategic Communications and Public Affairs Office of the University.

15. CONTACT WITH THE SCHOLARSHIP OWNER

All enquiries regarding the award and changes, issues, or further information after acceptance should be made to:

Mathematical Sciences Institute
ANU College of Science

Email: admin.teaching.msi@anu.edu.au
17. DISCLAIMER

The recipient of this award is subject to The Australian National University Act 1991 as amended, and to the Statutes, Rules, Regulations and Resolutions of the University.

The award of a scholarship/grant does not carry any commitment by the University for future employment.

These conditions of award should be read in conjunction with the University’s Coursework Scholarships Policy & Procedures available from the ANU website.

18. RELATED POLICIES, PROCEDURES & RULES
