

## **ANU COLLEGE OF BUSINESS & ECONOMICS TERRELL SCHOLARSHIP**

### **CONDITIONS OF AWARD**

#### **1. INTRODUCTION**

Each year the ANU College of Business and Economics ("the College") may offer up to two awards known as the ANU College of Business & Economics Terrell Scholarship ("the award").

The objective of the award is to recruit high calibre students into the Bachelor of Economics or the Bachelor of Finance programs.

Funding for this award has been provided by the Professor Deane and Jenny Terrell Fund.

#### **2. BENEFITS**

The value of the award is stated in the letter of offer. The duration of the award is one year. The award is paid in two equal instalments after the Census Date of each semester, unless otherwise stated in the letter of offer.

The recipient is responsible for making payment of tuition fees by the prescribed date as set out by the University each session. Recipients of this award are responsible for the costs of books, study materials, accommodation and all other costs of study.

#### **3. ELIGIBILITY**

The award is available each year to a prospective student who:

- (a) is a domestic or international student;
- (b) is enrolled into the Bachelor of Economics or Bachelor of Finance or a double degree with one of the programs offered by the College; and
- (c) has completed a Year 12 or equivalent in Australia with a minimum ATAR score of 90 and a demonstrated high Mathematics achievement (e.g. ACT Mathematical Methods (Major)-a minimum of 159 and above or equivalent as per the Interstate Year 12 comparable table)

#### **4. APPLICATION**

Applications are called for with a closing date as set by the College. The application is submitted on the prescribed electronic form and supporting documentation forwarded to the College by email prior to the closing date.

#### **5. SELECTION**

Selection is on the basis of academic merit. In the event that there are students with equal ATAR and maths scores, the selection Committee may determine the successful candidate by considering the performance of the students in other subjects which are relevant to the proposed degree program undertaken in year 12.

The award is offered to a student by a selection Committee chaired by the Associate Dean Education, CBE (or nominee), and includes the Director of Engaged Learning, CBE and the Director of Students and Learning, CBE.

The College reserves the right to make no award if it considers there is no applicant of sufficient merit. The College may also vary the number of awards (where the budget allows) and/or offer the award at other times in exceptional circumstances or based on the standard of applications or students.

#### **6. CONCURRENT HOLDING OF OTHER AWARDS**

A recipient of the CBE Terrell Scholarship is permitted to concurrently hold other scholarships, awards, grants and bursaries subject to the terms of the corresponding section in the conditions of award of the other scholarship/bursary/grant/award that they are holding.

#### **7. DEFERMENT**

The award cannot be deferred.

#### **8. ONGOING ELIGIBILITY**

A recipient of the award is required to enrol in a full-time load of 24 units per semester.

Recipients are expected to maintain a 70% average in order to receive the second instalment in the following semester of study.

If a recipient is unable to achieve the required average in their first semester they risk having their award terminated.

A recipient is given the opportunity to explain their performance and how their performance can be remedied before a decision on the termination of an award is made.

#### **9. AWARD CESSATION**

The award ceases or should be surrendered:

- (a) at the conclusion of the period outlined in section 2; or
