

AUSTRALIAN NATIONAL UNIVERSITY
GORDON ADA SUPPLEMENTARY SCHOLARSHIP IN VIROLOGY OR IMMUNOLOGY
CONDITIONS OF AWARD

1. **GENERAL**

The Scholarship is awarded on the condition that the scholar has been awarded and continues to hold an Australian Postgraduate Award (APA), an ANU University Research Scholarship (URS), an ANU PhD Scholarship or other approved scholarship at The Australian National University and is enrolled in a PhD program at the John Curtin School of Medical Research, College of Health & Medicine pursuing research in virology or immunology.

2. **TENURE**

2.1 **Commencement**

The Scholarship stipend becomes payable from the date on which the APA, ANU URS, ANU PhD Scholarship or other approved scholarship for PhD study is taken up in Canberra, unless in special circumstances another date is determined by the University.

2.2 **Duration**

The duration of the Scholarship will be as stated in the letter of offer. In no case will the Scholarship continue for longer than three and a half years.

3. **STIPEND**

The level of the award will be determined from time to time by the Director, John Curtin School of Medical Research, College of Health & Medicine but will not be less than \$5,000 per annum. A stipend, as set out in the letter of offer, is payable fortnightly in arrears. There are no other benefits.
