

ROSS TAYLOR PHD SUPPLEMENTARY SCHOLARSHIP IN GEOCHEMISTRY

CONDITIONS OF AWARD

1. INTRODUCTION

Each year the Research School of Earth Sciences (the “School”) in the ANU College of Science (the “College”) may offer an award known as the Ross Taylor PhD Supplementary Scholarship in Geochemistry (the “Award”).

Funding for this Award has been provided by generous donations from associates of Ross Taylor, and matching School funds.

Professor Taylor has made an outstanding contribution in geochemistry and as a pioneer of lunar science. His work spans the moon, the Earth's continental crust, island arc rocks and beyond. Fifty years ago, the Canberra scientist Prof. Ross Taylor made one of the big discoveries about the nature of the moon. Professor Taylor was chosen by NASA as the best person to analyse the first moon rocks brought back by Apollo 11. The launchpad for Taylor's success was the environment of excellence at ANU, which included an almost identical lab to NASA. Taylor's involvement with the moon was not his only contribution to science. Apart from many academic awards, he was elected as a Foreign Associate of the US National Academy of Sciences in 1994 and he was appointed a Companion of the Order of Australia in 2008.

3. ELIGIBILITY

The Award will be available each year to a prospective PhD Candidate who is:

- (a) a domestic or international student; and
- (b) enrolling full-time in a program of study for the degree of Doctor of Philosophy in Earth Sciences at the ANU; and
- (c) has been awarded, and continues to hold an approved ANU PhD base stipend scholarship.

4. APPLICATION

There is no application as PhD Candidates are automatically considered based on meeting the eligibility criteria or conditions prescribed under the Eligibility section.

5. SELECTION

Selection will be made on the basis of highest ranked PhD Candidate enrolled in a PhD in Earth Sciences in the broad field of Geochemistry.

The School reserves the right to make no Award if it considers there are no applicants of sufficient merit.

6. CONCURRENT HOLDING OF AWARDS

A recipient of the Award is permitted to concurrently hold other scholarships, awards, grants and bursaries subject to the terms of the corresponding section in the conditions of award of the other scholarship/bursary/grant/award that they are holding.

7. DEFERMENT

The Award must be taken up no later than the date specified in the letter of offer, unless in special circumstances another date has been approved by the Delegated Authority.

8. ONGOING ELIGIBILITY

The recipient is required to remain enrolled in a program of study for the degree of Doctor of Philosophy at the ANU in the program for which the Award is offered, and continue to hold an approved ANU PhD base stipend scholarship.

A part-time Award may be offered or approved if the recipient has reasons acceptable to the ANU which preclude full-time study for part or all of the program of study. In such cases the ANU must be satisfied that the reasons relate to caring commitments, a medical condition, a disability or other circumstance which limits the recipient's capacity to undertake full-time study.

An Award cannot be transferred to another institution, School or ANU College.

9. SUSPENSION OF AWARD

The University may suspend the Award where a recipient has:

- a) outstanding fees;
- b) an outstanding debt with the University; or
- c) outstanding PhD program milestone/s

The Award will be suspended when at least five working days have passed since the University advised the recipient in writing that the milestones, debt and/or fees are outstanding, until the milestones have been met or the outstanding fees and/or debt have been paid. Under these circumstances, the recipient will forfeit payment of the Award for the period of time that their Award is suspended.

10. CESSATION OF AWARD

The Award ceases:

- (a) at the conclusion of the period outlined in section 2; or
- (b) on submission of the thesis for examination; or
- (c) on the date on which the recipient withdraws or ceases to attend the University other than for approved absences; or
- (d) if a recipient is no longer meeting or has breached the Conditions of Award; or

- (d) if a recipient breaches academic or behavioural standards set by the University under the Academic Misconduct & Discipline Rules.

11. REPAYMENT OF FUNDS

A recipient who is taking leave from their program, or changing their enrolment intensity from full-time to part-time, is expected to submit the prescribed [Manage My Degree - HDR](#) form in a timely manner and, where possible, in advance, in order to avoid receiving an overpayment of their Award. In circumstances where an overpayment does occur, the overpayments will be recovered in line with the ANU Overpayments Procedure.

Where a recipient is overpaid an amount in excess of a full fortnightly disbursement, the ANU may recover the overpayment by withholding future Award payments at the same rate that the Award was overpaid, until the balance is rectified.

In cases of overpayment or outstanding financial debts to the University, service restrictions are applied to students. Service restrictions include temporarily withholding recipients' access to:

- (a) enrol or re-enrol in a program or course;
- (b) obtain a transcript of academic record;
- (c) acquire results of any assessment in a course or program;
- (d) receive a degree, diploma, certificate or other award of the ANU.

12. PROVIDING FALSE OR MISLEADING INFORMATION

The offer of an Award is based on the information provided by the PhD Candidate to the ANU. An Award may be withdrawn at any stage if incorrect, false or misleading information is provided or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment in offering the Award.

13. VARIATION TO CONDITIONS OF AWARD

In exceptional circumstances, and on a case-by-case basis, section 6 and/or 7 of these Conditions of Award may be varied by the Dean on the recommendation of the Delegated Authority.

14. TAXATION & CENTRELINK

Recipients are responsible for seeking taxation and Centrelink advice regarding their own individual circumstances. Scholarships/grants/awards may be regarded as taxable income if a recipient is enrolled on a part-time basis.
