Overview
To ensure that functions, events and venue hire can safely and gradually return to campus the University is taking a risk-based approach to returning events with a staggered recommencement. When deciding whether to approve an in-person event in 2021, areas should consider the quality of event experience; and remember the University’s focus is on a great 2022 experience. These activities must adhere to the University COVID Guidelines.

Further information on events in 2022 will be provided in the coming weeks.
Functions and Events

A Functions on Campus eForm ("FoC eForm") must be completed for all indoor and outdoor events planned to occur on the ANU campuses. Events can only occur once the FoC eForm has been approved by the University.

Indoor or outdoor events and functions include, but are not limited to:

- Planned staff functions or gatherings must be pre-approved by Deans, Portfolio Head, College General Manager or Director;
- Student affiliated and non-affiliated functions or gatherings including clubs and societies (ANUSA, PARSA and ANU Sport);
- Residential student events (outdoor) – managed by Heads of Halls and approved by the Director, Residential Student Life; and
- Events approved by the Chief Operating Officer.

Exemptions from completing a FoC eForm include:

- Drill Hall, Llewellyn Hall and University House – managed internally via a venue enquiry form;
- Departmental staff meetings;
- Informal workplace gatherings such as morning teas, lunches or farewells;

All other requirements of this Protocol still apply to these areas. This includes completion of a Risk Assessment Management Plan.

Planning an Event

All events and functions regardless of the date of the event must adhere to these requirements:

**Safety requirements**

1. All events and functions must complete a Functions on Campus eForm, regardless of size of event.
2. All venues must use the Check In CBR app to check in attendees 16 years old and above.
3. The one person per two square metres (1 per 2m²) rule applies to both indoor and outdoor events.
