HONOURS SKILLS-BASED PROGRAM

2020 program for Honours students on planning your Honours year, presenting your research and writing your thesis. All workshops will be held in the Grateek Room, Chifley Library. Each workshop is followed by a light lunch.

KICK START YOUR HONOURS
March 12. 10am-12noon

Learn how to make the most out of your year and how to plan and complete your research milestones efficiently and successfully. This workshop provides advice on managing your time and working with your supervisor. Find out about effective reading, research strategies and information management tools to better manage the research.

THESIS STRUCTURES & INTRODUCTIONS
April 8. 10am-12noon

This workshop deconstructs past theses to develop a strong understanding of the thesis' purpose, key components, and how you might go about structuring and writing your own. Using examples from past theses, we analyse what makes a successful introduction.

PRESENTING YOUR RESEARCH
May 6. 10am-12noon

Learn key techniques for structuring and confidently delivering a presentation with a clear key message. We also discuss ways to enhance visual aids and delivery, including dealing with questions and overcoming nerves.

FINISHING UP & EDITING YOUR THESIS
October 7. 10am-12noon

Getting to the end of the project will involve tying all the parts of your thesis together and ensuring cohesion and clarity. We discuss how to craft a strong conclusion. Bring along a draft to apply editing techniques in a systematic way to improve your thesis' overall quality.
