Auditing of Documents

The Australian National University does not require certified copies of documents to be provided during the application process. Instead, applications for admission are audited. Information on the audit processes we may undertake are outlined below.

- I authorise the University to audit my application by obtaining official records from any institution I have attended or conducting any other enquiries to otherwise verify documents presented with my application including but not limited to evidence of English language proficiency and referee reports and enquiries to determine whether I have any undeclared study. Accordingly I consent to the University providing my personal information to any relevant third party for these purposes. If requested, I will provide original documents to support my application.
- I acknowledge and accept that the University may vary or cancel any decision made or reject this application on the basis of incorrect, incomplete or fraudulent information provided by me or by my referees.
- I recognise that it is an offence to submit fraudulent documentation in support of an application for the purpose of gaining admission to the University. Where fraudulent documents are detected, I understand that my application will be rejected or if an offer has been made, it will be withdrawn or if I have already enrolled, my enrolment will be cancelled. Further, if a visa has been issued, the Department of Immigration and Citizenship (DIAC) will be notified. All matters concerning fraudulent documentation may be reported to the relevant Government and statutory authorities.
- If any information is discovered to be untrue or misleading in any respect, I consent to the University collecting, storing and disclosing this information to any relevant authority which may include the Department of Immigration and Citizenship (DIAC).
