June
3rd: MATE Community of Practice*
10th: MATE Bystander Program (LGBTIQ+)*
15th: Consent Matters
18th: In-Depth Responding to Disclosures

*The MATE Bystander Program will teach you how to recognise abuse and other problematic behaviours, and how to prevent and interrupt these behaviours. These sessions can be designed to target specific behaviours or designed for specific communities. MATE Train the Trainer sessions teach you how to deliver the program to your peers. As a trainer, you can then attend the MATE Community of Practice meetings to learn from other facilitators.
