

ALAN MCINTOSH PRIZE IN THE BACHELOR OF MATHEMATICAL SCIENCES CONDITIONS OF AWARD

1. INTRODUCTION AND RECOGNITION

Each year the Mathematical Sciences Institute ('MSI') at the ANU College of Science may offer \$1,000 for award each year, known as the Alan McIntosh Prize in the Bachelor of Mathematical Sciences.

The objective/s of the prize are to recognise outstanding academic achievement and to encourage first-year students enrolled in the Bachelor of Mathematical Sciences to continue on with their studies in Mathematics.

The total value of the prize/s awarded is \$1,000 per year.

The prize will be offered in perpetuity.

Funding for this prize has been provided by the family of Alan McIntosh and matched by the Mathematical Sciences Institute, ANU.

2. ELIGIBILITY

The award is available each year to an ANU student who is:

- (a) a domestic or international student.
- (b) enrolled in a program leading to the award of a degree of Bachelor of Mathematical Sciences; and
- (c) achieved the best result as shown by the award of the highest average mark in the courses Mathematics and Applications 1 (MATH1115) and Mathematics and Applications 2 (MATH1116).
- (d) A student is not eligible to be awarded the prize in any year if the student is making a second or subsequent attempt at the course, or the student has previously pursued a course of study in a course, unit or subject (whether at the University or another tertiary education institution), the content of which is, in the opinion of the Director, MSI, substantially similar to the content of the course for which the prize is to be awarded.

3. SELECTION AND CONSTRAINTS

The MSI may vary the number of prizes if multiple winners are identified by splitting the prize.

Where required, the University Medal Committee will be available for qualitative or subjective assessment determinants if a decision is not reached within the College to determine prize winners.

4. RECIPIENT OBLIGATIONS

The awarding of a prize is based on the information provided to the University. A prize may be declined by the recipient once they have been notified as the prize winner. This must be provided in writing to MSI within the 30 days of the recipient's notification of winning the prize.

If the prize is accepted by the recipient, they agree to the Publication of their name.

The recipient will be asked to:

- 1) write a letter of thanks to the donor; and
- 2) may participate in marketing activities and/or asked to provide a reflective statement.

5. REVIEW OF PRIZE

The award will be reviewed:

- (a) at the conclusion of the period outlined in section 1; or
- (b) if any eligibility requirements are to be amended in consultation with the Donor
- (c) after 3 years

whichever is earliest.

6. VARIATION TO CONDITIONS OF AWARD

In exceptional circumstances and on a case-by-case basis, these conditions of award may be varied by the Director, MSI, on the recommendation by the Chair of the Selection Committee in consultation with the Donor.

7. CONTACT WITH THE COLLEGE

All enquiries regarding the prize and changes, issues, or further information after acceptance should be made to:

Mathematical Sciences Institute
The Australian National University
Hanna Neumann Building 145
Science Road
Canberra ACT 2601

8. DISCLAIMER

The recipient of this award is subject to The Australian National University Act 1991 as amended, and to the Statutes, Rules, Regulations and Resolutions of the University.

These conditions of award should be read in conjunction with the University's Coursework Scholarships Policy & Procedures available from the ANU website.
