

**ANU MEDICAL SCHOOL**  
**CLINICAL NEUROSCIENCE PRIZE**  
**CONDITIONS OF AWARD**

**1. INTRODUCTION AND RECOGNITION**

Each year the ANU Medical School may offer one prize known as the Clinical Neuroscience Prize.

The prize has been established by Professor Christian Lueck, to encourage highly performing medical students to consider Neurology as a long term career choice. The funding provided for the prize is from the monies awarded to Professor Lueck in 2010, by the Australian Learning and Teaching Council for his award in Teaching Excellence.

The value of the prize awarded is \$1,000.

**2. ELIGIBILITY**

The award is available each year to an ANU MChD student who is:

- (a) enrolled in Year Four of the MChD at the ANU College of Health and Medicine; and
- (b) performed the best in a voluntary additional test in clinical neuroscience.

**3. SELECTION AND CONSTRAINTS**

The Department of Neurology at Canberra Hospital will prepare a one hour multiple choice question (MCQ) test in clinical neuroscience. The test construction panel shall include the Clinical Director of the Neurology Department at The Canberra Hospital and up to two other appointees of the Dean of Medicine and Health Sciences.

The members of the Selection Committee shall be drawn by the Director, ANU Medical School, and include appropriate representation from the Clinical Director of the Department of Neurology at Canberra Hospital.

The prize may be shared.

If, in any year, no student is assessed by the Director of the Medical School acting on the advice of the Department of Neurology at Canberra Hospital as sufficiently outstanding, the prize shall not be awarded in that year.

**4. RECIPIENT OBLIGATIONS**

The awarding of a prize is based on the information provided to the University. A prize may be declined by the recipient once they have been notified as the prize winner. This must be provided in writing to Medical School no later than 30 days from notification.

If the prize is accepted by the recipient, they agree to the Publication of their name.

In some instances the recipient may be asked to:

- 1) write a letter of thanks to the donor;
- 2) participate in marketing activities and/or asked to provide a reflective statement.

## **5. REVIEW OF PRIZE**

The award will be reviewed:

- (a) at the conclusion of the period outlined in section 1; or
  - (b) if any eligibility requirements are to be amended
  - (c) after 3 years
- whichever is earliest.

## **6. VARIATION TO CONDITIONS OF AWARD**

In exceptional circumstances and on a case-by-case basis, these conditions of award may be varied by the Director of the ANU Medical School on the recommendation of the Clinical Director of the Department of Neurology at Canberra Hospital.

## **7. CONTACT WITH THE COLLEGE**
