

## **THE JOHN CARVER PHYSICS PRIZE**

### **CONDITIONS OF AWARD**

#### **1. INTRODUCTION AND RECOGNITION**

Each year the Research School of Physics and Engineering may offer up to 2 prizes known as the John Carver Physics Prize.

The objective of the prize is to reward academic excellence in the Physics Honours specialisation.

The value of the prize/s awarded is \$1000 and a medal.

The prize will be on offer every year.

Funding for this prize has been provided by a generous bequest from the Carver family in memory of Professor John Henry Carver, a former Director of the Research School of Physics and Engineering.

#### **2. ELIGIBILITY**

The award is available each year to an ANU student who is:

- (a) a domestic or international student. (A domestic student is considered - an Australian citizen, New Zealand citizen, holder of an Australian Permanent Resident visa or a permanent humanitarian visa)
- (b) enrolled in the Honours specialisation in the Research School of Physics and Engineering, College of Science

#### **3. SELECTION AND CONSTRAINTS**

Selection is made on the basis of academic merit.

The prize will be awarded solely on the final Honours grade.

The prize will be awarded on the recommendation of the Selection Committee appointed by the Director of the Research School of Physics and Engineering.

The Research School of Physics and Engineering reserves the right to make no award if it considers there is no applicant of sufficient merit.

Where required, the University Medal Committee will be available for qualitative or subjective assessment determinants if a decision is not reached within the College to determine prize winners.

#### **4. RECIPIENT OBLIGATIONS**

The awarding of a prize is based on the information provided to the University. A prize may be declined by the recipient once they have been notified as the prize winner. This must be provided in writing to the Physics Honours Convenor no later than 2 weeks from notification.

If the prize is accepted by the recipient, they agree to the Publication of their name.

In some instances the recipient may be asked to:

- 1) write a letter of thanks to the donor;
- 2) participate in marketing activities and/or asked to provide a reflective statement.

#### **5. REVIEW OF PRIZE**

The award will be reviewed:

- (a) at the conclusion of the period outlined in section 1; or
- (b) if any eligibility requirements are to be amended
- (c) after 3 years

whichever is earliest.

#### **6. VARIATION TO CONDITIONS OF AWARD**

In exceptional circumstances and on a case-by-case basis, these conditions of award may be varied by the Dean of the College of Science on the recommendation of the Chair of Selection Committee within the Research School of Physics and Engineering.
