

THE AUSTRALIAN NATIONAL UNIVERSITY
COLLEGE OF ENGINEERING AND COMPUTER SCIENCE
CEA TECHNOLOGIES PRIZE IN COMMUNICATIONS

Conditions of Award

1. There shall be a prize of \$1,000 for award each year which shall be known as the CEA Technologies Prize in Communications.
2. The prize shall be awarded to the student who, in that year:
 - (i) was enrolled in the program leading to the award of the degree of the Bachelor in Engineering; and
 - (ii) achieved the best aggregate mark in at least 24 units of third year courses including Digital Communications (ENGN3226), Digital Systems and Microprocessors (ENGN3213); and Wireless Communications (ENGN4536);
3. A student is not eligible to be awarded the prize in any year if:
 - (i) the student has been previously awarded the prize;
 - (ii) the student is making a second or subsequent attempt at any of the courses; or
 - (iii) the student has previously pursued a course of study in a course, unit or subject (whether at the University or another tertiary education institution), the content of which, is in the opinion of the Dean and Director of the ANU College of Engineering and Computer Science substantially similar to the content of any of the courses for which the prize is to be awarded.
4. If, in any year, two or more students achieve the same top aggregate mark, the prize awarded in that year shall be divided equally between them.
5. If, in any year, no student achieves results that, in the opinion of the Dean and Director of the ANU College of Engineering and Computer Science, justify awarding the prize in that year, the prize shall not be awarded in that year.
