

How to find a class summary on P&C and via Wattle?

1. To look for a class summary via Wattle, go to the relevant Wattle course site.

Look for the following link:

Note: Some courses may have more than one class summary if they are co-taught. Please select the relevant course code link.

2. You will be taken to another page with a link:

ASTR3005 Course outline

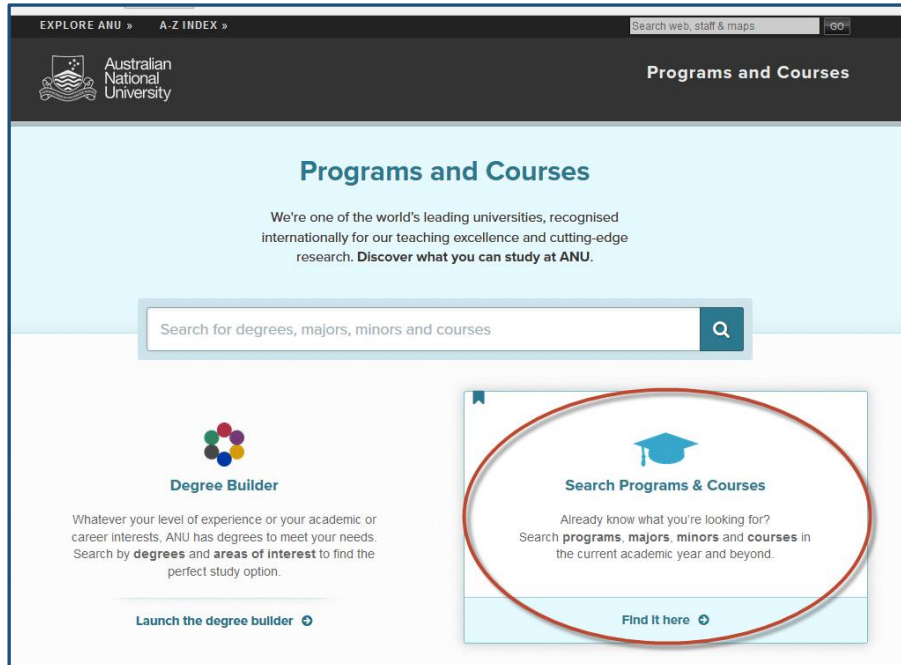

Click the <https://programsandcourses.anu.edu.au/2019/course/ASTR3005#terms> link to open the resource.

3. Click on the link and you will be taken to the "Offering and Fees" page within P&C of the course.

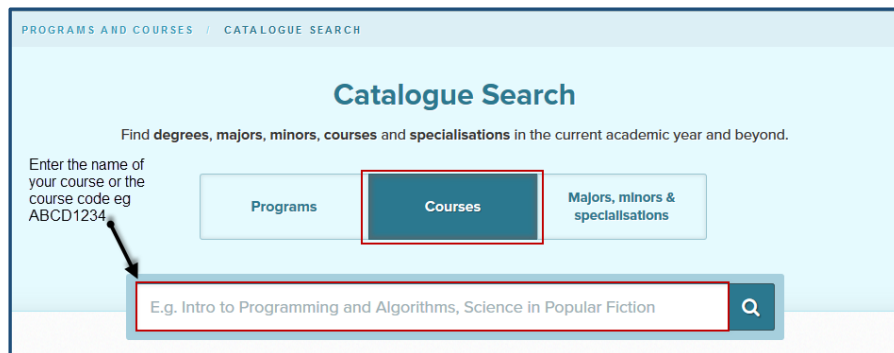

Once you have landed on the page, please follow Point 9 and click on the "View" link, which will take you to the Class Summary page.

- To look for a class summary via P&C, go to the P&C website:
<https://programsandcourses.anu.edu.au/>

- Search **Programs and Courses**

- Select Courses on the **Catalogue Search**
- Enter your course name or **course code**

- On the course page, scroll down to the side navigation to the **Offerings and Dates** section
If the class information displays that there is a **View** link, click on the link

Note: Please note that fee information is for current year only.

10. This is your class summary

The screenshot shows the ANU website interface for the 'Astrophysics Research Topic' course. The page is titled 'Astrophysics Research Topic' and is part of the 'First Semester' for the 'Academic Year : 2019'. The course is identified as 'ASTR3005' and is an undergraduate course offered by the 'Research School of Astronomy and Astrophysics'. The page includes a 'CLASS SUMMARY' link (circled in red) and a 'BACK TO COURSE DETAILS' link. A table of class information is provided, including the class number (2388), term code (2930), unit value (6 units), mode of delivery (In Person), and dates. The course convener and lecturer are listed as Prof Paul Francis. A 'VIEW CLASS TIMETABLE' link is also present. Social media sharing options (Tweet, Share, WATTLE, G+) and a 'Download' link are visible at the bottom of the page.
